STUDENT HEALTH AND EDUCATION SERVICES

LOCATION AND ACCESS

The Student Health Center is located at 4502A N. Charles St. in Seton Court. The telephone number is 410-617-5055. Handicapped parking is available near the Health Center.

HOURS OF OPERATION AND AFTER-HOURS CARE

The Center is open for routine medical care during the regular school year from 8:30 a.m. to 5 p.m. weekdays by appointment. For after-hours medical care or advice call Sinai Hospital at 410-583-9396 and a physician or nurse practitioner will return your call. Please stay by your phone to receive the call.

EMERGENCY

In case of a life-threatening emergency call 911. Loyola's Public Safety can be reached at 410-617-5911 and will be notified if an ambulance is called.

ELIGIBILITY FOR CARE AND FEES

All currently registered students are eligible for care. Graduate students pay $25 per visit. Allergy clinic for all students is $50 per semester. There are some services such as special laboratory tests, off-campus referrals, and prescriptions for which a charge must be made.

CLINICAL SERVICES

The Student Health Center provides outpatient primary care in a confidential setting. The Center is designed to provide continuous management of both long-term and short-term medical problems, as well as preventive medical care.

If urgent medical attention is needed during regular hours, students can be seen on a walk-in basis. If immediate attention is not necessary, waiting time can be lessened by calling in advance for an appointment. The appointment number is 410-617-5055.

CONFIDENTIALITY

All information in student medical records is confidential. Access to these records is limited to authorized Health Center personnel only. A written release must be signed by the patient receiving care in order to have information released. This is a legal requirement. You may obtain a consent form for the release of medical information at the Health Center.

PREMATRICULATION IMMUNIZATION REQUIREMENTS

All students must have completed health history and immunization requirements as indicated in the health history form(s) students receive upon admission. Exceptions to the immunization requirement must be approved by the director.

STAFF

The Center is a teaching facility and is staffed by board certified nurse practitioners and physicians. The Center is affiliated with Sinai Hospital and Greenspring Pediatric Associates which provide physician coverage. Additionally, the affiliation provides a rotation of residents from Sinai and Johns Hopkins hospitals. In most cases, students will be seen by nurse practitioners. Nurse practitioners are registered nurses with advanced medical education degrees and are qualified to evaluate, diagnose, and prescribe. They are also qualified health educators who will instruct students about self-care and provide medical counseling as needed on a one-on-one basis. Union Memorial Hospital Sports Medicine is the referral for orthopedic problems and works with the Health Center staff as well as the athletic department trainers. The trainers provide sports medicine care for athletes. Physical Therapy First is close to campus and provides rehabilitative therapy.
