Class of 2021
Summer Orientation 2017

“Now That We Are Here, How Do We Pay For This?”
FIRST YEAR PARENT ORIENTATION

STUDENT ADMINISTRATIVE SERVICES

The Loyola University Maryland Student Administrative Services (SAS) office is the center for all financial transactions at the University. The Office is located on the first floor of Maryland Hall. Our office hours are Monday through Friday from 7:30 AM until 5:00 PM. The telephone number is (410) 617-5047 and the fax number is 410-617-5049.

STUDENT BILLING AND PAYMENTS

SAS is responsible for all student bills for tuition, housing, and fees. Checking account payments to the University can be submitted in person in SAS, by mail to the SAS office, or online E-Check via WebAdvisor at Inside Loyola (student’s username and password are required to login). We also accept Visa, MasterCard, American Express, and Discover cards online through WebAdvisor with a 2.5% convenience fee. Special payments such as scholarships, 529 plan, or Financial Institution payments should be mailed directly to SAS at the 4501 N. Charles Street address.

McCROSSIN EMERGENCY LOAN FUND

An emergency loan fund is available for full-time undergraduate students with a valid Loyola ID and an account with no unpaid balances. The maximum amount is $100.00. These loans are non-interest bearing and require repayment at SAS within 30 days of issuance. If not repaid during that time, the loans are charged to the student’s tuition account and subsequent loan requests will be denied.

STUDENT PAYROLL

Many of our students are hired by Loyola to work either under the Federal Work-Study Program or through “direct-hire” by the University. All student payroll is distributed through direct deposit to the student's bank account. All student employees should establish a checking or savings account. The University can directly deposit the student's net pay to almost any financial institution in the United States. However, if the student will be using the payroll funds for personal expenses, we recommend that an account be established at a local financial institution. Representatives from various banks will be available for students and their parents during the Student Services Fair of this orientation.

All students are paid on a bi-weekly schedule on Fridays. Until a student is set up on direct deposit, a check will be delivered to the student’s on campus mail stop during the school year. Should a pay period close after the end of a semester or if a student works during the summer, the check will be mailed to the student’s home address.
PARKING FOR FIRST YEAR STUDENTS

First Year Students living on-campus are not permitted to have a vehicle on campus. First Year Students commuting from home may register their vehicle for parking in designated commuter areas on campus. Please refer to Rules and Regulations for Parking for additional information. Commuters should register their cars in SAS during Fall Orientation or soon thereafter.

CAMPUSWIDE EVERGREEN CARD

The primary source of identification on campus is the Evergreen Card. This card also serves as electronic key access to secured buildings, a debit card for the Evergreen, Meal Points, and Meal Plan accounts, as well as the library card for use in the Loyola/Notre Dame Library.

The Evergreen Card eliminates the need to carry cash for laundry, copier and vending machines equipped with card readers, food, Book Store, and other miscellaneous purchases around Campus. The Evergreen Card is secure; the student selects a pin number that is used at all locations except for coin operated machines. Students receive a receipt after each transaction detailing purchases, noting the amount charged to the account and the remaining balance. Receipts should be reviewed to insure that your purchases are recorded properly.

For First Year Students, pictures for the Evergreen Card are scheduled to be taken during Summer Orientation in SAS. Although pictures will be taken now, the student’s Evergreen Card will be distributed at check-in at beginning of fall semester. Please see the orientation schedule for specific times. Replacement cards can be obtained at SAS for a $15.00 fee.

EVERGREEN ACCOUNT

The Evergreen Account is a pre-paid debit account, subject to Maryland State sales tax, and is used for purchasing goods and services on campus. Cash withdrawals are not permitted. Unspent balances on this account are carried over year to year and are refundable at the student’s departure from Loyola University Maryland.

MEAL POINTS ACCOUNT

Loyola University’s Meal Points Account is for use in all of our dining locations. The funds are deposited in accordance with the Meal Plan selected and cannot be refilled. All purchases are exempt from Maryland state sales tax. Unspent balances on this account are carried over from the fall to spring semester and are forfeited the Monday after graduation in May. Transfers cannot be made from this account to any other account.

MEAL PLANS

The University has created a hybrid dining program that offers all-you-care-to-eat dinner and weekend options as well as “idealMEAL” meals for breakfast and lunch. The University is excited to create this program for students while making dining on-campus affordable. For more information please visit www.loyola.edu/dining.
DEPOSITS

Deposits to the Evergreen Account may be made via the internet using either at the Loyola portal, Inside Loyola (with the student’s username and password) or www.loyola.edu/evergreendeposit. The only information needed for a deposit here is the student's last name and Loyola University ID number. You will then be taken to a secure web page where you will enter all of the required information and click the “Make Deposit” button; you will then be taken to a confirmation page. A confirmation email will be sent to the email address provided.

Deposits can also be made by mail to Loyola University Maryland, Student Administrative Service, 4501 N Charles St., Baltimore, MD 21210; telephone at 410-617-5802; or in person in Maryland Hall 140. Deposits are payable in cash, check, or credit card, however, please do not send cash via mail.

OTHER GENERAL INFORMATION

THE LOYOLA BOOKSTORE

Barnes & Noble, a Loyola partner, operates the Bookstore. Therefore, all books, supplies and other items must be paid for at the time of purchase. The Bookstore will accept personal checks, VISA, MasterCard American Express, and Discover and the Evergreen Account. Bookstore purchases may not be charged to the student tuition account.

AUTOMATED TELLER MACHINES

There are two Bank of America ATM machines within walking distance of campus. One ATM machine is located adjacent to the Post Office in the Student Center the other is located in the Royal Farms convenience store just west of the Newman Towers Resident Halls. SunTrust also maintains an ATM machine located in Newman Towers at the entrance of Iggy’s. M&T and First Financial Federal Credit Union maintain ATM machines located at the entrance to Boulder Café in the Student Center.

The University does not cash checks for students.

---

Payments not received in the Student Administrative Services Office by the stated due date are subject to late payment charges.
If an account is paid in full, no further bills will be sent from SAS unless additional charges are added to the account. However, if a balance exists on the student's account due to unpaid charges, additional charges, or an under budgeted payment plan, monthly bills will be sent until the remaining balance is paid in full.

**LATE PAYMENT FEE**

An additional charge of 1.5% per month on the unpaid balance will be added if payment is not received in the SAS office on or before the due date and on the unpaid balance of each succeeding month throughout the semester.

One exception to the late payment fee is any amount contracted for but not yet received by Loyola from the TMS Tuition Payment Plans. Future payments anticipated for current semester charges are not subject to this 1.5% fee. However, late payments to TMS are subject to the fee, as well as under budgeted amounts.

**FINANCIAL HOLDS**

Failure to pay the fall or spring semester bills by the stated due date may result in cancellation of classes and the housing assignment.

Additionally, Loyola University Maryland reserves the right to withhold grade reports, transcripts, diplomas, subsequent registration, and housing assignments for any student whose account has an outstanding balance. If at any time you anticipate a problem in meeting your financial obligation to the University, call SAS as early as possible. The more time we have to make other payment arrangements, the better we will be able to assist you.

**TUITION AND ROOM DEPOSITS**

All first year students are required to deposit $350.00 as an advance payment toward the tuition of his or her first semester. On-Campus resident students are required to pay an additional deposit of $400.00 to reserve a room for the fall semester. Both deposits are applied to the fall semester charges. The tuition/room deposits are non-refundable.

All returning students are required to pay a $300 tuition deposit. Additionally, those who desire room assignments for the following fall semester must pay a housing deposit of $300 in February of each year. These advance deposits are applied to tuition and room charges for the following fall semester. Tuition deposits are refundable at the rate of 50% provided the student notifies the University in writing of his/her withdrawal by July 1, the housing portion is non-refundable once the student has gone through the housing selection process.
REFUND OF TUITION

When students officially withdraw or leave the University for any reason and have no indebtedness to the University, a portion of their tuition may be refunded. The amount of refund varies with the date of formal withdrawal (that date on which all withdrawal forms have been properly completed and returned to the Records Office). There are no refunds of fees whether required or optional. The refund schedule is as follows:

- Before the first day of the semester: 100% of tuition
- Before two completed weeks: 80% of tuition
- Before three completed weeks: 60% of tuition
- Before four completed weeks: 40% of tuition
- Before five completed weeks: 20% of tuition

On or after five weeks of a semester there will be no refund of tuition. When a student withdraws from the University, and is due a refund under the refund policy, and has received financial assistance from a federal student aid program (other than Federal Work-Study), a portion of the refund will be returned to the programs from which the student was funded. The federal student aid portion of the refund will be determined according to procedures specified by the U.S. Department of Education. Students employed under the Federal Work-Study program are entitled to all wages earned up to the date of withdrawal.

TUITION REFUND PLAN

The Tuition Refund Plan is a unique form of insurance originated by A.W.G. Dewar, Inc. to provide families the opportunity to protect their tuition investment. The program refunds a portion of the unused tuition and insured fees when students are withdrawn or dismissed for covered reasons. Please visit www.tuitionrefundplan.com for more information.

The plan is completely voluntary; however, it is automatically billed to the student account each semester. The cost of the plan is $128.00 per semester. The plan can be waived by simply going to http://tuitionprotection.com/lumd. The waiver only needs to be submitted once per year.

MONTHLY PAYMENT PLAN

Tuition Management Systems (TMS) is a monthly payment plan and is not considered financial aid. This payment plan is credited to the student’s account when funds are received by the University. The plan costs $80 per year and the 10 month payment period begins June 15th.

Enrollment in the payment plan is open until August 1st. All budget adjustments, after enrollment, must be made through the SAS Office at 410-617-5047.

For more information or to set up a plan please visit TMS at www.afford.com.
1. University Administered Financial Aid Programs

- Presidential Scholarship
- Claver Scholarship
- Athletic Grant
- Loyola Grant
- Claver Grant
- Endowed Scholarship
- Federal Pell Grant
- Federal Supplemental Grant
- Federal Work-Study
- Federal Perkins Loan
- Federal Direct Stafford Loan-Subsidized
- Federal Direct Stafford Loan-Unsubsidized
- Federal Direct Parent Loan (PLUS)

All forms of University-administered aid (except Federal Work-Study) are credited to the student's account in equal amounts for the fall and spring semesters.

**Federal Work-Study Program**

Students employed through the Federal Work-Study Program (FWS) are paid on a bi-weekly basis according to the number of hours worked. The starting rate is at least minimum wage, $9.25 per hour. Working hours are limited to 15 per week. Work-study earnings cannot be directly applied to University charges. Most students use their earnings for personal/miscellaneous expenses. Students who accept FWS awards are sent information in August via their Loyola email accounts which outlines the procedures to begin the FWS job search.

**Federal Direct Stafford Loan and Federal Perkins Loan Programs**

Students choosing to borrow through the Federal Direct Stafford Loan Program (subsidized and/or unsubsidized), and/or the Federal Perkins Loan Program must complete student loan processing requirements. These procedures are available online at Loyola’s Financial Aid website, [www.loyola.edu/department/financialaid](http://www.loyola.edu/department/financialaid), under Financial Aid Programs, select Loans. Instructions will also be emailed to students’ Loyola email accounts if they accepted at least one student loan as part of their financial aid package.

Federal Direct Stafford Loans carry a 1.069% origination fee, meaning that 98.931% of the amount borrowed will be credited to the student’s account. The origination fee is subject to change annually in October. The Federal Perkins Loan does not have an origination fee; 100 percent of the amount borrowed will be credited to the student’s account.

**Federal Direct PLUS Loan for Undergraduate Students**

The Federal Direct Parent Loan for Undergraduate Students (PLUS) allows parents of undergraduate students who do not have an adverse credit history to borrow up to the full cost of attendance minus other financial aid. The interest rate is 7 percent for loans disbursed between July 1, 2017 and June 30, 2018. Interest rates will be established each year for PLUS Loans. Interest accrual begins on the date of the first loan disbursement. The first payment is due within 60 days after the final loan disbursement. Direct PLUS Loans carry a 4.276% federal origination fee; the net proceeds will equal approximately 95.724% of the loan amount. The origination fee is subject to change annually in
Parents who wish to borrow through the Federal Direct PLUS Loan program must have a current year completed FASFA. Please visit https://studentloans.gov to complete an online PLUS Loan Request Form and sign an electronic master promissory note (MPN). The borrower will need a FSA ID – username and password – to sign in. The FSA ID has replaced the Federal Student Aid PIN.

2. Outside Sources of Financial Aid

State Scholarships/Grants will automatically be credited to a student’s account when official notification is received by the University from the appropriate state scholarship/grant agency.

Privately-Funded Scholarships will be processed upon receipt of an official notification from the organization granting the scholarship. A copy of an award letter sent to the student announcing the award is also acceptable. The University will bill the donor if payment for the scholarship does not accompany the award letter. Awards are credited in equal amounts for the fall and spring semesters except for awards of $200 or less which are applied in full against charges for the current semester.

Privately-funded scholarships are added to Loyola’s institutionally-funded academic scholarships. There is no reduction in Loyola’s award. Privately-funded grants and scholarships are incorporated in a student’s need-based financial aid package in the following sequence.

- added to meet any unmet need
- substituted for Federal Perkins Loan (up to $1,000 per year)
- substituted for Federal Work-Study (up to $3,400 per year)
- substituted for institutional need-based grant
- there is no substitution for the Subsidized Federal Direct Stafford Loan

More information concerning the financial aid programs and application procedures can be found in the Financial Aid Award Notification Guide included in your student’s financial assistance packet and at Loyola’s financial aid website at www.loyola.edu/financialaid.
