Fitness and Aquatic Center (FAC) Membership Policies

Entrance Policy
A current Loyola ID, state issued ID, driver’s license or passport must be presented for entry to the Fitness and Aquatic Center (FAC) upon each visit for individuals 16 and older. Members under the age of 16 must be checked in at the Welcome Desk each visit by their accompanying Parent/Adult member. Please refer to the Child/Youth Use policy for supervision expectations for children/youth under the age of 16 found at www.loyola.edu/recsports.

A member must be at least 18 years of age to serve as an adult member supervising child/youth members or to sponsor guests. For specific information regarding child/youth use of each area of the FAC, please refer to the Child/Youth Use Policy.

Facility Closures or Reduced Hours
Loyola University Fitness and Aquatic Center is a campus recreation facility that is largely student operated. There are scheduled facility closures and reduced schedules for university holidays and break periods, which are subject to change. In addition, the pool facilities will have reduced hours to accommodate various swim meets throughout the year. Scheduled and unscheduled closures will be communicated through signage in the facility, via email, our website, and social media. These reduced hours are a condition of membership.

Guest Use
Members 18 years of age or older are eligible to sponsor up to four guests per visit. When entering the FAC, all guests must show a current state issued ID or driver’s license (if not a minor) and pay the daily fee of $5. Members must remain in the facility with their guests for the duration of the guests’ visit. Guests under the age of 16 are not permitted in the fitness center (weight/cardio room) or allowed to participate in group exercise classes.

Daily Use Guest
Faculty, staff, and administrators, who are not members, may show a valid Loyola ID and pay the daily use fee without having a membership contract. These individuals are able to sponsor four guests per visit. All guest policies apply. (A state issued ID or a driver’s license is not allowed in most instances for faculty, staff or administrator daily use access.)

Delinquent Membership Accounts
If payment for a continuous membership is unable to be obtained by the Member Services Office, a Member Services Representative will attempt to notify the primary member immediately. All members with a continuous membership 30 days past due will be considered inactive. Once a membership is considered delinquent (more than 60 days), access will be denied and the file moved to cancelled until the unpaid balance is rectified.

If a member’s account becomes delinquent more than two times, the individual may be ineligible for continued membership.

Conduct
All patrons are expected to treat one another and the staff with courtesy and respect. Profanity, fighting, threats, sexual harassment, verbal abuse, and other misconduct will not be tolerated.

Miscellaneous Facility Items
The unauthorized use of recreational facilities for commercial purposes (e.g., individual coaching or training for a fee) is prohibited.

Parking is only allowed in approved university spaces based on Loyola University parking rules and regulations. Blocking an entrance or exit to the facility is prohibited.

Refunds and Cancellations
All fees are non-refundable. Cancellations are required 30 days in advance and are the responsibility of the member.
