Good to Know Public Safety Information

We are here to help your students navigate through and around the challenges new students face. Situational awareness and good decision making are skills we all focus on.

If you have any issues or questions call our Base operations center 410-617-5010 operates 24 hours a day-7 days a week-365 days a year.

Please review our trifold, it provides valuable information about Public Safety, Environmental Health & Safety and Transportation capabilities and resources.
