To: CAS Chairs and Directors 0708
Date: January 14, 2008
Subject: CAS Chairs Meeting Thursday, January 17, 2008
12:15-1:30 p.m. Cohn 33 with lunch

AGENDA:

Besides glossing some of the attached announcements, Thursday's meeting will discuss a web site Loyola has developed to report violations of College policies as well as federal/state laws (such as those K. Hoskins discussed in December). We will also discuss how departments can contribute to the emerging strategic plan (which the President sketched for Chairs in December) as well as develop their own plans. Let me or Amanda or Suzanne know if you have other suggests for agenda - for this or subsequent meetings this semester.
