

From: James Buckley
To: Chairs - College of Arts and Sciences
Date: October 15, 2007
Subject: CAS Chairs Meeting - Thursday, October 18, 2007
12:15 – 1:30 p.m. in Cohn 33 (lunch at 11:45 a.m.)

AGENDA:

After the usual announcements (including a report on the Trustees meeting on the next strategic plan this past weekend), Louise Finn (new Assistant Vice President/CIO for Technology Services) will give us a sense of her priorities and we can start determining which technology issues are of particular interest to Chairs.

Iona and Don will also join us for a discussion of course cancellations (who cancels courses, when, and how?). We will conclude with a scintillating discussion of per course faculty compensation and hiring.

See you Thursday.

Jim
