

AWSS Membership Application

The Association for Women in Slavic Studies is a non-profit organization which aims to promote the interests of women in the field. Dues for membership in the Association are \$30.00 per year (\$10 per year for graduate or undergraduate students), in US dollars only, with joint memberships (two people at one mailing address) available for \$5 in addition to the appropriate category above. Associate memberships for scholars outside North America are available at \$10. (Please inquire for information about Life Memberships).

Membership includes a subscription to the AWSS Newsletter, *Women East-West*, founded by Mary F. Zirin and currently edited by Rhonda Clark, which is a forum for concerns of Association members and reports on research and issues related to women and gender in the Soviet successor states and Central/Eastern Europe. Membership also lets one join AWSS-L, an electronic mail list created to further scholarly conversations among AWSS members.

Please print out the following form and send it along with your check made out to "AWSS" to the secretary-treasurer:
