

eForm Instructions

I. General Information

1. Log into [Inside Loyola](#)
2. Retrieve the student's ID number from the official class or grade roster posted on *WebAdvisor for Faculty > Faculty Information > Grading*.
3. Under WebAdvisor, click *WebAdvisor for Faculty > Faculty Information > Initial Assignment/Change of Grade form, Class Roster Verification Report, Failure Report, Incomplete Report, or Midterm Deficiency Report*.
4. Any field with a label followed by an asterisk (*) is required to submit the form. You will be alerted if you try to submit without a required field.
5. There is a *15 minute inactivity* timeout for each session (not each form).
6. **DO NOT** leave the form unfinished or unattended on your screen. This could present a security risk, as well as time-out your session, causing you to re-enter all data.
7. In the form toolbar, you may only need to use Reset and Zoom.
8. If you need to start over prior to signing and submitting the form, use Reset to clear all fields.

II. Entering data on the form

1. Student ID:

- A. Enter the student ID, then **press the tab key to auto-populate** the student's information, which includes last, first, and middle name; class year (where applicable for undergraduates only); and student e-mail fields.
 - Skipping the ID field, pressing return (enter) after entering ID, or placing the cursor in another field may cause the auto-populate feature to fail and require that you manually enter the student's name, class year (if applicable), and e-mail.
 - You may manually enter data in any field.
- B. The student ID is required for submission. After entering the ID, verify that the correct student name is displayed. If you mistype the ID, you may re-enter it, and **press the tab key to repopulate** the correct student information.
