Serve on a Library Advisory Board

The Loyola / Notre Dame Library is forming a student advisory group, and they would love to have a graduate student participate, since our needs and perspectives might differ from the undergraduates. The time commitment will be fairly minimal. Interested individuals should contact Jennie Ray at jbray1@loyola.edu.

Graduate Assistantships

Now is a great time for exploring open graduate assistantships. Several new listings have been posted in the past few weeks. Assistantships typically include both partial tuition remission as well as a stipend, and are available in a variety of areas to students in all majors. Visit www.loyola.edu/graduateassistantships for the latest listings and availability.
