Loyola University Maryland
Master's Program in Educational Technology
Planning Sheet

The M.Ed. in Educational Technology is a 36-credit program, including a 9-credit departmental core, a 24-credit technology core, and a 3-credit internship. Students wishing to pursue the M.A. degree may elect to complete a 6-credit thesis in place of an internship. Use this checklist to track your progress through the program.

Departmental Core   **(9 credits)**

_____   ED 600   Foundations of Research in Education

OR   ED 670   Teacher Research & Inquiry

_____   ED 608   Educational Innovations

_____   AD 662   Leadership, Supervision, and Professional Development

Technology Core   **(24 credits)**

_____   ET 605   Introduction to Educational Technology

_____   ET 610   Curricular Applications of Technology

_____   ET 620   Multimedia Design in the Classroom

_____   ET 630   Digital Communication in the Classroom

_____   ET 631   Distance Education

_____   ET 641   Universal Design for Learning with Technology Integration

_____   ET 680   The Role of the Technology Leader

_____   ET 690   Educational Technology Seminar

Internship Requirement for M.Ed. Option: **(3 credits)**

_____   ET 691   Educational Technology Internship

Thesis Requirement for M.A. Option: **(6 credits)**

_____   ET 699   Thesis Seminar

Note that, as a general rule of thumb, a 3-credit course requires approximately 6 to 9 hours per class session of outside work. While this will vary from class to class and from individual to individual, it is a good general guide for planning the number of courses to which you can commit each semester.
