

2014 Loyola Unplugged Results

Our first year for Loyola Unplugged was absolutely amazing! As a community, we ended up saving 130,102kWh of electricity... that's an energy reduction of 19%!

Claver Hall won the competition with a 55.70% energy savings. Tantallion (43.70%) and Gallagher (41.60%) came in 2nd and 3rd, respectively.

Nasarah McKinney, the RA in Claver Hall, won the RA prize for 2014. She constantly kept her students engaged and sent out tons of information about how to reduce energy consumption!
