<b>Description of Agency (mission, setting, populations served, number of licensed psychologists on staff):</b>	<p>The mission of CCSD is to contribute to the personal, educational, and career development of University of Delaware students. The counseling service has served as the primary mental health unit on campus since its establishment in 1946. As an organization, we are committed to inclusive excellence and the promotion of social justice. The CCSD is accredited by the International Association of Counseling Services (IACS).</p> <p>CCSD is dedicated to training high quality psychology practitioners. In addition to the practicum program, we have a post-doctoral fellowship and an APA accredited pre-doctoral internship. The staff includes approximately 15 licensed psychologists, a referral coordinator, 2 psychiatrists, and 5 administrative staff.</p>

<p><b>Description of Placement (especially including trainees' activities and responsibilities):</b></p>	<p>In a standard week, practicum students will have 6-10 hours of individual counseling appointments, 3 hours of individual and group supervision, and 2-3 hours of administrative activities. A didactic seminar is held in the beginning of the fall and winter semesters. CCSD uses a time-limited treatment model and supports trainees in developing their skills in this modality. Practicum students are also encouraged to carry one client on a longer term basis in order to diversify their learning experiences. Videotape review of sessions is used in supervision.</p> <p>Opportunities for career assessment and counseling, group therapy process observation, outreach, and initial triage may also be available. Practicum students are invited to attend our weekly staff and case conference meetings as well as our professional development sessions.</p> <p>Visit our Training page on our <a href="#">website</a> for more information.</p>
<p><b>Available Slots:</b></p>	<p>4</p>

<p><b>Hours per week? Specific days students must be available for rotation?</b></p>	<p>Practicum students are expected to spend two 8-hour days each week at CCSD. One of those days must be Friday which is when group supervision is held.</p>
<p><b>Average number of direct (face-to-face) service hours per week?</b></p>	<p>On average practicum students will have 6-10 hours per week of face-to-face service hours but this will vary depending on caseload and participation in group and outreach activities.</p>
<p><b>Start Date-End Date:</b></p>	<p>Aug. 23<sup>th</sup>, 2019 – May 29<sup>th</sup>, 2020</p>
<p><b>Who is eligible (i.e. prerequisites):</b></p>	<p>CCSD is seeking doctoral students in counseling or clinical psychology who are interested in experience working in a full-service university counseling center. It is preferable for applicants to have had at least two semesters of supervised clinical experience as well as course work or background in counseling theories, multicultural theories, and ethics.</p>

<b>Other information for potential applicants:</b>	Financial assistance is available to assist with parking/commuting expenses.
