

MARK FRANKLIN PEYROT

PRESENT POSITION

Professor and Chair of Sociology, Loyola University Maryland

EDUCATION

BA (1970) in Sociology, University of California at Santa Barbara

MA (1973) and PhD (1982) in Sociology, University of California at Los Angeles

NIMH Postdoctoral Fellowship in Behavioral Science (1982-84), University of Kentucky
College of Medicine

FACULTY APPOINTMENTS

University of Kentucky, Department of Sociology and Department of Behavioral Science
(College of Medicine)

Position: Instructor to Assistant Professor (1982-85)

Areas: Introduction, Health and Human Service Organizations, Family,
Methodology (BA, MA and PhD programs)
Medical Sociology, Communication and Interviewing, Human
Development (BSN and MD programs)

Loyola University Maryland, Department of Sociology and Department of Marketing (School of
Business and Management)

Position: Assistant to Full Professor (1985 to present)

Areas: Methodology, Data Analysis, Medical Sociology, Family, Organizations,
Social Psychology, Deviance (BA program)
Introduction, Consumer Behavior, Marketing Research
(BA, BBA and MBA programs)

University of Memphis, Department of Counseling, Educational Psychology, and Research

Position: Adjunct Graduate Faculty (1997-2000)

Areas: Medical Sociology

Johns Hopkins University, Department of Medicine (School of Medicine)

Position: Research Associate to Assistant Professor (1990-2012)

Areas: Medical Sociology

RESEARCH POSITIONS

Staff Research Associate, "Clinic and Client Perceptions of an Adolescent Drug Abuse Treatment Program," Center for the Psychosocial Study of Adolescent Drug Abuse, University of California at Los Angeles (1974-75).

Staff Research Associate, "Family Coalitions and Children's Mental Health," Institute for Social Science Research, University of California at Los Angeles (1978-82).

GRANTS & AWARDS

Co-Principal Investigator, NIH Biomedical Research Support Grant RR05374, "Stages in the Adjustment to Living with Diabetes," University of Kentucky College of Medicine (1982-83).

Principal Investigator, Loyola University Maryland Research Support Grant, "Quality of Life Intervention for Diabetic Children" (1988-89).

Principal Investigator, American Diabetes Association, Maryland Affiliate Grant, "Evaluation of the Impact of Diabetic Camp" (1988-89, 1990-91, 1991-92).

Co-Principal Investigator, American Cancer Society, Maryland Division Grant, "Tobacco Use Among Youth" (1988-89, 1989-90).

Co-Principal Investigator, National Science Foundation Grant INT-8813680, "U.S.-Taiwan Workshop on Social and Psychological Factors in Juvenile Delinquency" (1988-89).

Principal Investigator, Loyola University Maryland Research Support Grant, "A Behavioral Medicine Intervention for Diabetic Adults" (1988-89, 1991-92, 1992-93, 1994-95).

Co-Investigator, Morris Goldseker Foundation Grant, "Evaluation of the Baltimore Academic Champions of Excellence Program" (1990-93).

Co-Recipient, Loyola University Maryland School of Business and Management, "Outstanding Article Award" (1992).

Co-Principal Investigator, American Association of Diabetes Educators Education and Research Foundation, "Intensification of Treatment through Diabetes Education" (1994-95).

Co-investigator, NIH Grant RO1 AA11653-01A1, "PET Imaging of the 5-HT transporter in Alcoholism" (1998-2003).

Co-investigator, American Diabetes Association, "Development of the Neuropathy Inventory" (2000-03).

GRANTS & AWARDS (continued)

Principal Investigator, MiniMed Inc., “Quality of Life Instrument for Insulin Pump Studies” (2001-02).

Principal Investigator, Centers for Disease Control and Prevention subaward, “The World Trade Center Evacuation Study” (2002-05).

Principal Investigator, National Science Foundation subaward, “Introducing Engineering through Mathematics” (2002-05).

Principal Investigator, Novo Nordisk Pharmaceuticals, “Target Study” (2003-04).

Principal Investigator, Novo Nordisk Pharmaceuticals, “Diabetes Attitudes, Wishes, and Needs Study” (2003-06).

Principal Investigator, National Science Foundation subaward, “STEM Talent Expansion Program” (2003-06).

Principal Investigator, National Science Foundation subaward, “ADVANCE Institutional Transformation Award” (2003-08).

Principal Investigator, National Science Foundation subaward, “Engineering Inquiry-based Learning Modules for Technology Education” (2004-08).

Principal Investigator, National Science Foundation subaward, “Enhancing Science and Technology Education and Exploration Mentoring” (2004-07).

Principal Investigator, American Association of Diabetes Educators Education and Research Foundation, “A Multi-Constituency Study of Factors Associated with Access to Diabetes Self-Management Education Training (DSMET)” (2005-07).

CONTRACT FUNDED RESEARCH

- 1985-86 Project Director for general population public opinion survey using telephone survey with random-digit-dialing sample, funded by private mass media clients.
- 1986 Project Director for telephone survey of Controllers for mid-sized firms. regarding automated technology for check processing, funded by private client.
- Principal Investigator for evaluation study of the effectiveness of grant diversion in on-job-training, funded by Maryland Department of Human Resources.
- Project Co-Director for telephone survey of CFOs of mid-sized firms in central Maryland, funded by the United Way.
- 1986-89 Project Director for multi-pronged marketing research project, funded by private health care organization.
- 1986-91 Project Director for evaluation of program functioning and outcomes in a correctional substance abuse prevention program, funded by contractor and supervised by the Baltimore City Health Department.
- 1987 Project Director for program to provide and evaluate professional training for juvenile services, funded by Maryland Department of Health and Mental Hygiene.
- Project Director for telephone survey of college alumni, funded by several departments of the college.
- Project Director for telephone survey of college dropouts, funded by client.
- Project Director for telephone survey of client satisfaction by insurance holders, funded by private client.
- 1987-91 Project Director for survey of parishioners and simultaneous organizational study of parish staff, funded by the Baltimore Archdiocese of the Catholic Church.
- 1988 Co-Investigator for study of childcare use and preferences among public assistance benefit recipients, funded by Maryland Department of Human Resources.
- 1989 Project Director for telephone survey of Chief Information Officers at regional hospitals regarding management information systems, funded by "Big 8" accounting firm.
- Project Director for community survey using random-digit-dialing telephone interviews to study hospital reputations, funded by private client.

CONTRACT FUNDED RESEARCH (continued)

- 1989-90 Project Director for evaluation of multi-intervention smoking cessation project, funded by American Lung Association.
- Project Director for multi-method (field, mail, telephone) surveys of clients, state workers, and retailers for study of electronic benefit system for food stamps and AFDC, funded by contractor and supervised by Maryland Department of Human Resources.
- 1990-93 Project Director for multi-survey marketing research study of college students, funded by private client.
- 1991-94 Project Director for evaluation of outpatient treatment program for cocaine abusers, funded by contractor.
- Project Director for evaluation of outpatient treatment program for female AOD abusers, funded by contractor.
- 1992-95 Project Director for evaluation of Baltimore City Partnership for the Prevention of Substance Abuse, funded by the USPHS Center for Substance Abuse Prevention.
- 1994-95 Project Director for survey of insurance purchasing and membership retention survey, funded by the American Chemical Society.
- Project Director for evaluation of the centralized intake and referral system of Baltimore Substance Abuse Systems, funded by the USPHS Center for Substance Abuse Treatment.
- 1994-96 Project Director for survey of patient satisfaction with physician outpatient primary care, funded by managed care corporation.
- 1995-97 Project Director for evaluation of the Drug-Free Schools program of the Baltimore City Public Schools.
- 1995-99 Project Director for evaluation of Baltimore Prevention Coalition, funded by the USPHS Center for Substance Abuse Prevention.
- 1997-99 Project Director for evaluation of the REACH project of the Maryland Energy Assistance Program.
- 1998-2000 Project Director for analysis of National Health Interview Survey, funded by the US Veterans Administration.

CONTRACT FUNDED RESEARCH (continued)

- | | |
|-----------|---|
| 1998-2001 | Project Director for survey of parishioners of the Archdiocese of Baltimore. |
| 1999-2001 | Project Director for multi-focused assessment project for Loyola University Maryland. |
| 1999-2002 | Project Director for evaluation of HIV/AIDS prevention projects of the Baltimore Prevention Coalition, funded by the USPHS Center for Disease Control and Prevention. |
| | Project Director for three surveys conducted for Baltimore Advisors. |
| 2001-04 | Project Director for evaluation of E-commerce education program, funded by the National Science Foundation. |
| 2001-06 | Project Director for evaluation of HIV/AIDS prevention projects of the Health Education Resource Organization, funded by the USPHS Center for Disease Control and Prevention. |
| 2003-08 | Project Director for evaluation of a regional center for manufacturing excellence, funded by the National Science Foundation. |
