- **Master’s Program**
  - The program is a five semester (Fall, Spring, Summer, Fall, Spring), full-time commitment. No exceptions will be made.

- **Campuses and Travel**
  - Loyola has 3 campuses (Baltimore, Timonium, and Columbia) and 2 clinical centers (Belvedere Square in Baltimore and Columbia).
  - Academic classes for the SLP graduate program are offered at the Columbia Graduate Center on Mondays during the first year and at the Timonium Graduate Center during the second year.
  - First year clinical internship experiences are provided at the Loyola Clinical Centers in Columbia and Belvedere Square (Baltimore) as well as in local schools. Students will be required to drive to all of these locations.
  - Second year clinical externship experiences are located in off-campus settings (flexibility in commuting is necessary) with an experienced ASHA-certified SLP. Students will experience at least two different settings or populations over the course of the year.
