ABOUT ACADEMIC EXCELLENCE WEEKEND

Loyola University Maryland is committed to celebrating student achievement and building the campus culture that spurs our students, graduate and undergraduate alike, to think more about their own creative and scholarly voices and to aspire to make their own marks as researchers, artists, and scholars. Loyola's annual Academic Excellence Weekend will feature several honor society inductions, the Undergraduate Student Research and Scholarship Colloquium, student presentations, Emerging Scholars Graduate Research Symposium, and a lunch celebrating academic excellence. A full list of all the students who participated in the 2022 Academic Excellence Weekend including students who were inducted into honor societies, received academic achievement awards for their work last year, and received Dean's List honors in 2020-2021 is available at www.loyola.edu/aew.
