As residents of the Greater Govans area, Loyola students can make a huge difference for local businesses. Loyola’s location allows students the opportunity to shop at many local businesses within walking distance. York Road and the surrounding Govans community are filled with locally owned businesses, who love engaging with the Loyola community.

Next time you find yourself struggling to decide where to get food or go for a walk consider supporting a local business. Take a walk, get to know a neighbor and support your community!

**MISSION STATEMENT**
Loyola’s York Road Initiative’s mission is to collaborate with neighbors and partners to produce positive change in our York Road community. It is a place of community and relationship building for all residents, both at Loyola and the greater Govan’s area.

**Attend a YRP meeting**
Held the first Wednesday of every month at 7:15 pm. Discussions at these meetings directly impact the community and give residents a platform to make suggestions and a community of support.
