- Block Plans: offer a set number of meal swipes per semester and allow you to use your meals at any time. You may use as many as you like in any given day or meal zone and up to the max allowed per semester.
- Meal Plan Points, a form of on-campus dining currency, are included with all meal plans. Each point is equivalent to one dollar and can be used to purchase items at all of our dining locations. Unused meal points from Fall Semester do roll over to Spring Semester, however, they expire at the end of the Spring Semester.

Our food is prepared from scratch by expert chefs and served by a caring team that views our students as family. You will have your choice of a wide variety of delicious and healthy meals, featuring local and sustainable food sources. Be sure to try some of Loyola's favorites like hand breaded chicken parmesan; shrimp stir-fry made before your eyes at Bravo; and the always popular Boars Head Meat at the Deli! We also offer a variety of food options for special diets, including guests with food allergies.

We know that academic success is linked to healthy eating and the dining options at Loyola will set you on the right course. With meal plans to suit all needs—and tastes—we are certain you will find an option that works for you.
