Treat your favorite student with fun, festive, and delicious treats sure to brighten their day and make them smile.

Our From Home with Love UNBOXED program is a subscription gift box prepared for lucky recipients every month throughout the school semester. Each box has a variety of seasonal surprises including fresh baked goods perfect for sharing, high-quality artisan snacks, Loyola gear, Starbucks coffee coupons and so much more!

Students will look forward to picking up their box and uncovering the surprises inside, while you can sit back and let our team do the baking, shopping, and packing. It's a fun reminder that someone loves and misses them!

HOW IT WORKS

- Once signed up, students will receive an email letting them know of their gifted subscription
- Each month, your student will receive an email letting them know to pick up their box from the Iggy's Market (Newman Towers) (gifters will get an email, too!)
- Beautifully packaged boxes will include delicious baked goods, packaged to ensure freshness and a card detailing their treats
