

Instructions: Below you will find five questions about today's lecture. This is a completely anonymous survey, so please feel free to be as open and honest as possible. The purpose of this survey is to optimize the pace of instruction and overall classroom environment.

Question 1: Using the scale below, please rate the pace of today's class (circle one):

1	2	3	4	5
Too Slow	Slow	Just Right	Fast	Too Fast

Question 2: What was the most important information you took away from today's class:

Question 3: In terms of Dr. Carlucci's classroom instruction, name one thing you enjoyed about today's class (e.g., pace, examples, media, discussion management, etc.)

Question 4: In terms of Dr. Carlucci's classroom instruction, name one thing you would improve about today's class (e.g., pace, more/less discussion, etc). Specifically, how was discussion managed today?
