Statement of Identity Theft
for Financial Aid Verification

Student Last Name First Name M.I. Social Security Number Loyola Student ID #

The purpose of this form is to document your parent(s) and/or your status as a victim of IRS tax-related identity theft. You have informed us that you have been the victim of IRS tax-related identity theft, which prevents you from providing us with the normal forms of tax data required to complete the verification process.

When the IRS determines a tax filer has been or likely was a victim of identity theft, it will not allow him/her to use the IRS Data Retrieval Tool on the FAFSA or get a tax transcript until the matter has been resolved, which can take up to a year for complex cases.

Please complete this form indicating that the parent and/or student was a victim of identity theft and submit it along with a copy of the TRDBV (Transcript Database View) to Loyola's Office of Financial Aid.
