

Hybrid Form for Loyola University Maryland's Course Evaluations

This form is being piloted as a way to evaluate hybrid courses at Loyola University Maryland. This is an important part of the educational experience and the continuous process to help us improve both the design and delivery of these courses. The form is used to evaluate both the course design and the faculty delivering the course. Please complete this evaluation honestly and seriously as it will be used to improve Loyola University's instructional programs.

I. Overall Observations about the Course

1a. What are the major strengths of the course?

1b. What suggestions do you have for improving the course?

II. Student Self-Evaluation

The purpose of this section is for you to evaluate your own participation in this course, not the instructor or course design.

2a. I completed the required readings and assignments in a timely manner.	Strongly Disagree	Disagree	Slightly Disagree	Agree	Slightly Agree	Strongly Agree	Not Applicable
2b. I actively participated in discussions during class time and in group work.	Strongly Disagree	Disagree	Slightly Disagree	Agree	Slightly Agree	Strongly Agree	Not Applicable
2c. When I had questions, I sought help and feedback from my professor.	Strongly Disagree	Disagree	Slightly Disagree	Agree	Slightly Agree	Strongly Agree	Not Applicable
2d. I was well-prepared for all quizzes, exams, papers, etc.	Strongly Disagree	Disagree	Slightly Disagree	Agree	Slightly Agree	Strongly Agree	Not Applicable

2e. On average, how many hours per week did you study for this course?

--

III. Course Design

The purpose of this section is for you to evaluate the overall design of this course.

3a. The instructional website for this course was well organized (e.g., accessibility of course content, logical sequencing and grouping of topics).	Strongly Disagree	Disagree	Slightly Disagree	Agree	Slightly Agree	Strongly Agree	Not Applicable
3b. The course learning objectives (what students are expected to learn) were clearly stated on the syllabus or website.	Strongly Disagree	Disagree	Slightly Disagree	Agree	Slightly Agree	Strongly Agree	Not Applicable
3c. The method(s) of course assessment (writing assignments, multiple-choice/essay format, projects, etc.) provided adequate opportunity for me to demonstrate what I learned in the course.	Strongly Disagree	Disagree	Slightly Disagree	Agree	Slightly Agree	Strongly Agree	Not Applicable
3d. The distribution between face-to-face instruction and online sessions met my expectations for a hybrid course. (Was the course split up the “right way,” and with the right time division?)	Strongly Disagree	Disagree	Slightly Disagree	Agree	Slightly Agree	Strongly Agree	Not Applicable
3e. I was provided with ample opportunities to seek one-on-one communication with the instructor.	Strongly Disagree	Disagree	Slightly Disagree	Agree	Slightly Agree	Strongly Agree	Not Applicable

3f. What recommendations in course design would you make to improve your learning experience?

--

IV. Instructor Impact

The purpose of this section is for you to evaluate the effectiveness of the instructor as they interacted with the students and course material.

4a. In the online portion of the course, the instructor utilized communication platforms (for example, forums, chat rooms, discussion boards, synchronous video, etc.) in ways that enhanced my learning.	Strongly Disagree	Disagree	Slightly Disagree	Agree	Slightly Agree	Strongly Agree	Not Applicable
4b. The instructor engaged course topics in ways that increased my interest and my understanding.	Strongly Disagree	Disagree	Slightly Disagree	Agree	Slightly Agree	Strongly Agree	Not Applicable
4c. The instructor showed genuine respect for and interest in my questions and/or perspectives.	Strongly Disagree	Disagree	Slightly Disagree	Agree	Slightly Agree	Strongly Agree	Not Applicable
4d. The instructor provided feedback that enabled me to improve my understanding of course content.	Strongly Disagree	Disagree	Slightly Disagree	Agree	Slightly Agree	Strongly Agree	Not Applicable

4e. What recommendations would you make in the ways the instructor interacted with the students and the course material that would improve your learning experience?
