Faculty Coverage Report
Graduate School of Education Courses

Introduction

Throughout the academic year, the Office of Institutional Research produces a series reports evaluating faculty coverage of course sections. This report contains data on the distribution of Graduate credit hours taught in the School of Education by (1) full-time tenured or tenure-track faculty, (2) full-time non-tenured or clinical faculty, (3) part-time faculty with 4/5 or 1/2 contracts, (4) Adjunct/per-course faculty. Starting in AY 2015-16, two additional faculty type categories were added: (5) Staff and (6) Other/Not in HR File. The data are disaggregated by department.

Methodology

Data for this report were drawn from Census Course and Human Resource files. These data files, among many other files, form the basis of the University's records used in federal and state reporting.

As of AY 2015-16, the Office of Academic Affairs along with the Deans of each college agreed to make changes to the list of course exclusions. Starting with summer 2015, the only courses excluded from the faculty coverage report are Field Experience courses.

After taking the above inclusion and exclusion criteria into consideration, a number of statistics are calculated to describe faculty coverage of courses. The total number of faculty teaching course sections, the number/percentage of sections taught, the average section size, and the number/percentage of student credit hours generated are tabulated in total and disaggregated by faculty type and department. In an effort to preserve the visual display of data in this report, the tables have been streamlined to only include a portion of the metrics described above. Full faculty coverage report tables have been provided to the Office of Academic Affairs and Deans.

*As of AY 2015-16, changes were made to the faculty coverage report regarding faculty type definitions and the list of course exclusions. In an effort to streamline the visual display of this document, the table above reflects only a portion of the metrics analyzed in the full report.

Faculty Coverage Reports which include all metrics have been provided to the Office of Academic Affairs and Deans.

*Courses excluded from this table include: Field Experience.

*Student credit hours for cross-listed courses are allocated to the home department of the faculty member who taught the course.

1 There are instances where a retired T/TT faculty member is teaching on a part-time basis. Students taking courses from those faculty members are included in the counts for T/TT faculty.

2 Full-time staff are those individuals who are administrators but are teaching a course.

3 "Other Instructors" represents individuals not captured in the HR freeze file, but are teaching courses. Typically these are per course affiliate faculty.
