Notes

Bolded "ENR" figures represent the total number of individuals who began the program in that cohort that semester. Naturally, "ret/grad" percentages would not apply in this instance.

1

<sup>&</sup>lt;sup>1</sup> The number and percent graduated represents the total number of students from that cohort who graduated with a degree from that program as of spring 2012.

<sup>&</sup>lt;sup>2</sup> These data represent how long it took for students to attain their degrees. This represents the percentage of students who graduated within the stated time frame.

<sup>&</sup>lt;sup>3</sup> Degrees for the Emerging Leaders M.B.A. are conferred the fall of each year. Students graduating from the Emerging Leader M.B.A '12 cohort will be included in the 2013 degree file and updated this summer.
