Notes: Includes new degree-seeking transfer students starting in Fall term, both full-time and part-time																																		
¹ This figure represents the cumulative GPA of those students who returned as noted in the retention figures for that time period, i.e. 2nd semester and 2nd year.																																		
² This figure represents the number of students who took that many years to graduate from Loyola -- it is not a cumulative figure.																																		
³ This represents the percentage of students within each cohort who graduated <i>within</i> the time period specified -- this is cumulative.																																		
⁴ This figure represents the GPA at graduation for those students who graduated based upon the <i>n</i> ² provided.
