Sources: Office of Institutional Research Fall and Spring Student Headcounts, Hiatus reports, Degree files, and FTFT Cohort files.

Notes:

Includes new degree-seeking transfer students starting in Fall term, both full-time and part-time

¹ This figure represents the cumulative GPA of those students who returned as noted in the retention figures for that time period, i.e. 2nd semester and 2nd year.

² This figure represents the number of students who took that many years to graduate from Loyola -- it is not a cumulative figure.

³ This represents the percentage of students within each cohort who graduated *within* the time period specified -- this is cumulative.

⁴ This figure represents the GPA at graduation for those students who graduated based upon the *n*² provided.
