

So, You're Going Abroad!

Please plan accordingly and complete these steps early if need be.

Step 1: Open from October 1- October 21, 2016 by 5:00 pm EST

Login to the Housing Portal through Inside Loyola to fill out your Intent for the Spring 2017 semester. Everyone must fill this out, including students who plan to live off campus.

Step 2: Due October 28, 2015 by 5:00 pm EST

Pay your Spring deposit! You can do so by going to: www.loyola.edu/sasdeposit
Failure to pay your deposit on time could result in your inability to live on campus for the Spring 2017 semester.

Step 3: Due October 31, 2016 by 5:00 pm EST

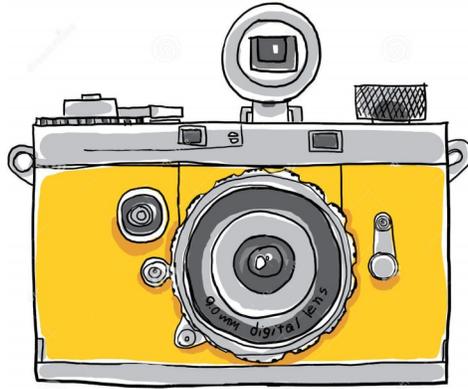

Login to the Housing Portal through Inside Loyola and complete your housing plan. Do you have any friends on campus that will also be on campus in the Spring that have a vacancy in their room? Have them pull you into their room! Do you have a full roommate group of 2, 4, or 6? You can participate in the lottery of open rooms! Or you can be an individual that wants to be placed in any available spaces. More information about each option can be found on the back of this page.

Final Placement will be sent out mid-December

This is due to the fact that we are communicating with students all over the world

Housing Options for Your Return

Get Pulled In: **Best Option!**

A current student or group of students who is living on campus for the whole year who wants to have you live in their apartment and has a vacancy.

The student on-campus must e-mail Megan Rowe at mmrowe@loyola.edu by Wednesday, November 5, and the student abroad must have paid their deposit and completed their intent on time. Confirmation will be sent in late November.

Individuals: **Next Best Option!**

If you do not have a roommate group or an individual to pull you in, you can opt to be placed by the housing staff. This happens after all of the open apartments are filled and the pull in process is complete.

You must still pay your housing deposit and complete your intent on time so we know your plan to live on campus. Current students who live on campus and have a vacancy may ask for a list of students returning from abroad who need a room.

Create a Full Roommate Group: **Not recommended!**

If you are creating a full group of 2, 4, or 6 people and are NOT being pulled in, you all must complete your intent for Spring 2017. Historically there have been **VERY** few fully open apartments for 2, 4, or 6 people in the Spring. We will work with groups through a lottery system to select a space but we recommend trying to get pulled in.

By Friday, November 11 we will reach out to you with next steps. If you know of an apartment that will be completely vacant in the Spring, the Fall residents cannot “give” you the space. That empty apartment will go into our mini lottery system.

Make sure you have back-up plans just in case there is not an apartment available for your group!

Travel safely!
