Meet a Board Mememeber

President: Gabby Cameron ’18

This year, the President of SuperFans and the leader of Houndtown is senior Gabriella Cameron. Gab has been a member of the board for all four years of her undergraduate career and is a dedicated Hound.

Q: What drew you to wanting to be a part of SuperFans originally?
A: As a first-year, I knew I wanted to get involved on campus and I enjoyed going to sport games. I remember going to my first soccer game and seeing the Executive Board. I thought to myself how I would love to get involved.

Q: What are you most looking forward to about this year of SuperFans?
A: I am looking forward to sharing the new giveaway ideas the board has come up with to the Loyola students!

Q: If you were a varsity athlete, which team would you want to be a part of and why?
A: I think I would want to be a part of the volleyball team because of the relationship they have with each other as a team. The team looks like they have so much fun on and off the court.
