Team Recaps

Men’s Lacrosse has continued their recent success with wins over Bucknell (12-7) and Colgate (21-7). In their most recent game, Sophomore Kevin Lindley and Senior Pat Spencer each had 10 points, making them the first teammates to achieve this feat in a decade. Senior Jacob Stover has been exceptional in goal for the Hounds and is now 5th in the country in save percentage. The Hounds play the first game of the doubleheader this Saturday, April 6th at 11am.

Women’s Lacrosse is continuing a great season with wins over #22 Georgetown, Lehigh, American, and Boston. Senior Hannah Powers turned in a 10 point performance on Sunday, the first for the program since 2015! Sophomore Livy Rosenzweig is 12th in the country in points per game, leading the hounds offense to 16th in the nation in points per game! The Hounds will have the second game in the double header this Saturday, April 6th at 3pm.

The outdoor season has started for the Women’s Track team as they traveled to Annapolis for a meet this past weekend. Junior Heather Merrifield and Sophomore Courtney Kenny smashed school records on their way to lead the Hounds to 3rd place overall. Merrifield ran the 400-meter hurdles in 61.58 seconds, breaking her own school record set in 2017. Kenny also broke her own school record with a time of 25.27 in the 200-meter. An outstanding start to the season for the Hounds!

Both Tennis teams have been busy lately, with multiple matches in the past 2 weeks. Sophomore Kateri Martin has been playing extremely well, winning both her singles and doubles matches, leading the Women’s team to a 7-0 win over LaSalle. The Women have won 5 matches in a row! The Men looked impressive against Howard with a 4-3 win last weekend. The duos of Benny Glezer and Edik Pribitkin and Brian Hoffarth and Kyle Gower won their doubles matches to vault Loyola to the win. The teams will be home against St. Mary’s on Wednesday, April 3rd at 3:30pm.
