Team Recaps

Women's Lacrosse has continued to build an impressive resume with wins over #12 Navy (16-6) and Lafayette (21-9). Eleven Greyhounds found the back of the net against Lafayette with Sophomore Sam Fielder leading the scoring with 5 goals and Senior Hannah Powers facilitating the offense with 7 assists. This was an important bounce-back game for the team after falling to Princeton 14-10 just a few days earlier. The Hounds look to continue their success against Bucknell Wednesday night.

Men's Lacrosse kept their season going with wins over #14 Lehigh (15-9) and Georgetown (16-14) in which Sophomore Aidan Olmstead found his groove with 10 points over those two games. Unfortunately, the Greyhounds fell to Boston University by a score of 18-11. However, the team does hold the head to head tie-breaker with Lehigh and controls its own destiny. If they can win the rest of their games, they will have the top seed in the Patriot League Tournament.

Sophomore Evan Brown continues to lead the Men's Golf team through the season, finishing 4th at the Rutherford Intercollegiate. This marks his 4th top 5 finishes in his last five tournaments. Sophomore Nick Meija and Junior Preston Ball also finished the weekend strong to give Loyola 8th place in the tournament. The Hounds will tee off next at the Patriot League Championships April 27-28.

Men's and Women's Tennis both bounced back from tough weekend losses with strong performances against Coppin State Thursday. The Women did not lose a single set while the men only lost 2, giving both teams 7-0 wins. Both teams had flawless performances from all players, and they will look to ride this momentum into the Patriot League Championships next week for the men and the following week for the women.
