The Men’s Basketball team bounced back from a few tough games over Thanksgiving break to beat the Mount on Saturday in Reitz Arena 75-65. Junior, Andrew Kostecka had a career high of 30 points in the game against Towson, followed by his first career double-double this past Saturday with 29 points and 11 rebounds. He is now averaging 15.7 points per game.

Women’s Basketball has played some tough opponents so far - Boston College, Saint Joseph’s, and Mount St. Mary’s. Despite the losses this season, Sophomore Izzy Therien is having a great season averaging 11 points per game and 6 rebounds per game. The Women’s Basketball team cut its deficit to four with 1:40 to play, but the Greyhounds wouldn’t be able to get any closer as Mount St. Mary’s extended its lead back to 10 for a 77-67 victory Saturday afternoon at Reitz.

Swimming and Diving hosted the annual H2ounds Invitational this past weekend, where both the men and women dominated the competition. Sophomores Megan Dickey and Emma Schouten shared the women’s Swimmer of the Meet award while freshman Sung Lee took home the men’s award. All three swimmers broke schools records. Lee broke the 200 butterfly record, Schouten broke the 400 individual medley record, and Dickey broke the school and pool record for the 100 freestyle, beating out olympic medalist Katie Hoff’s time by over half a second. Congratulations to all Loyola swimmers and divers!
