Team Recaps

The Men’s Basketball team has been busy since break! Impressive wins over Binghamton Vestal, Boston U, Holy Cross, and Colgate have the Hounds feeling confident at the right point in the season. Junior Andrew Kostecka has had many highlight performances in that span, including a buzzer-beating layup to defeat Holy Cross. He is now averaging 20 points per game, which is among the top in the nation.

Women’s Basketball has been equally busy, stealing wins from Monmouth, West Long Branch and Lafayette over break. Junior Stephanie Karcz has played great in that stretch, and is now averaging a double-double for the season with 14 points per game and 10.3 rebounds per game. The Hounds look to continue their recent success against Lehigh this Wednesday.

Swimming and Diving has competed in a few events in the past month, including a meet against Bucknell in which freshman Sung Lee and sophomore Emma Schouten won two races each. The team continued their success against LaSalle University where sophomores Megan Dickey and Elizabeth Walsh led the way for the Hounds.

Women’s Track and Field went to the Great Dane Classic, where Audrey O’Neill, Courtney Kenny, and Kayleigh Caggiano all finished in the top 10 in their respective races. The highlight of 2019 for the team however, happened just last week at the Patriot Games, where Senna Ohlsson qualified for ECACs after finishing second in the 500 meters with the 5th fastest time in school history.
