Please note that you must check-in according to the designated time for your building and/or floor. Campus Police will not allow students who arrive before their designated time to pull onto campus. All student rooms and apartments are locked prior to opening and you will not be provided access to the elevators and/or building without checking in with Student Life staff first.

After student's belongings have been unloaded, all vehicles will be directed for parking by University Officials. Traditionally, the lots at the Fitness and Aquatics Center (FAC) or Cathedral Parking Areas are utilized. Both parking areas are located on Charles Street, North of Loyola University. A shuttle will be available to bring you back to campus.
