Sustainability Newsletter

NEWS

Welcome back greyhounds!

While you were away...

⇒ We created a residence hall recycling guide for student bins. You can view a PDF version on our website.

⇒ Loyola University Maryland signed the Catholic Climate Covenant's *St. Francis Pledge* to Care for Creation and the Poor.

we are a GREEN OFFICE

⇒ We revamped the Green Office Program (we're accepting applications!)

Facilities and Sustainability staff cleaning and greening the corridor during the Business and Finance Division's Community Day with York Road Initiative.

Go Green Fact of the Month

Your lunch may have jet-lag.

Conventional food often travels up to 3,000 miles before hitting local grocery store shelves[1].

You can slash these long distances down to just a few miles by purchasing from local producers. Your local farmer's market is a great place to find them!

Loyola has you covered.

Govanstowne Farmer's Market

Wednesdays, 3-7PM, 5104 YR

Sustainability and Justice

Photo credit: religionnews.com

The Week of Moral Action for Climate Change is expected to rally thousands in Washington DC to support climate justice.
