Montessori Capstone Summer Session
June 18 - July 13, 2018
Loyola University Maryland’s Baltimore Campus

Library
The beautiful Loyola Notre Dame library is situated at the North end of campus, a literal hop, skip, and jump from the dormitory where Montessori students have the option to stay on campus. Find a study partner and cozy up with the stacks as you immerse yourself in your Montessori learning!

Food
Boulder Garden Café (located in the Andrew White Student Center) offers a cornucopia of fresh daily locally-sourced menu options. The café accepts meal plan points, Evergreen dollars, cash and credit cards. If you are staying in the on-campus housing, 14 dinner will be pre-loaded onto your Loyola ID for use at Boulder Café.

Fitness
Because the Montessori capstone workload is rigorous, you may find yourself needing a break! The good news is, you can always work on your gains at the Fitness & Aquatic Center (FAC) located on the West side of campus (along Charles St.) Remember to complete a waiver form (downloadable from the Summer Session website) and submit to gabrucek@loyola.edu.

Housing
Students have the option to stay in the dorms near the library on campus. The dorms are apartment-style, each with two bedrooms and a shared kitchen/living area. Each housing option includes access to laundry facilities (coin operated), Wi-Fi, and parking.

Parking
Request a parking pass on your reservation form if you will be using campus housing and will be bringing your own vehicle or if you will be commuting from off-campus. The parking pass is free of charge.
