Montessori Graduate On-Campus Housing

General Information – Summer 2019

Loyola offers air-conditioned housing in dormitory suites. The dormitory suites include a living room, kitchen, one bathroom, and two bedrooms. Each bedroom includes two twin extra-long beds, two dressers, and two desks. The kitchen is furnished with a sink, refrigerator and stove/oven (no microwave or cooking utensils).

These dormitory suites are used year-round. Please be prepared for a sparse, well-worn but clean space, intended to be a comfortable and functional study space: a quiet and calm environment meant to promote academic achievement.
