2023-2024 Dependent Verification Worksheet

Your 2023-2024 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we must ask you to confirm the information you reported on your FAFSA to verify that you provided correct information. We will compare your FAFSA information with the information on this Loyola verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this institutional verification form document, attach any required documents, and submit the form and documents via the Loyola Self-Service portal. We may ask for additional information. If you have questions about verification, contact the Office of Financial Aid as soon as possible so that your financial aid will not be delayed.
