Important Notice about Your Prescription Drug Coverage and Medicare—see page 22.

Please read it and share it with any of your Medicare-eligible dependents.

The benefits plan year runs July 1 to June 30. You will not be able to make changes to your elections during the plan year unless you experience a qualified change-in-status event that impacts your eligibility and is allowed under the terms of the carrier contract. Otherwise, the elections you make will remain in effect until June 30, 2024.

LOYOLA
UNIVERSITY MARYLAND

Summary of Employee Benefits July 1, 2023–June 30, 2024

Eligibility

Employees

Employees working a minimum of 22.5 hours per week on a regular basis (not seasonal or temporary) are eligible to participate in benefits noted and described in this brochure. Benefits for newly hired employees are effective on the first of the month following or coinciding with their date of hire.

Eligible dependents

In addition to enrolling yourself, you may also enroll any eligible dependents. Eligible dependents are defined below:

- **Spouse:** a person to whom you are legally married by a ceremony
- **Legally Domiciled Adult (LDA):** Domestic partner or dependent relative that meets eligibility criteria (LDA affidavit must be completed and returned to the Benefits & Wellness Unit)
- **Child(ren):** Eligible to age 26 regardless of student status, financial dependency, or marital status

Qualified change-in-status events

Please keep in mind that benefit elections and their related payroll deductions cannot be changed until the next Open Enrollment period unless you, your spouse, or your dependent child(ren) experience a qualified change-in-status event that impacts your eligibility and is allowed under the terms of the carrier contract. Change-in-status events are changes in the below:

- Change in legal marital status, including marriage, death of a spouse, divorce, and annulment
- Change in number of covered dependents due to birth, death, adoption, granting of legal guardianship, or reaching maximum age for coverage
- Change in employment for you, your spouse, or your dependent, including commencement of or return from leave of absence, or change in employment status
- Change in coverage under another employer plan, such as a change made during your spouse's open enrollment

You must notify your Benefits & Wellness Unit within 30 days of the qualified change-in-status event in order to make a change to your benefit elections. Documentation supporting the change will be required.

Enrolling in Your Benefits

Before you enroll

- Familiarize yourself with your options by reading the benefits described in this brochure. Details regarding all of Loyola's benefits are located on the **HR Benefits website** at www.loyola.edu/department/hr/benefits.
- Use the ALEX enrollment support tool to find the best plans for you and your family. Please refer to the information on the right for more details.
- If you are in need of additional assistance, please contact the Benefits & Wellness Unit at x1365.

When you're ready to enroll, simply follow these steps

- Log on to **Inside Loyola** at inside.loyola.edu
- Under Resources, click on *Benefit Enrollment*
- Begin the enrollment process by following the on-screen instructions
- When you are finished be sure to sign out and close your browser

New hires—please note...

You will have access to the benefits enrollment system the Monday following your date of hire. You have 30 days from your date of hire to enroll.

If you have any questions about your benefits you may contact Loyola's Benefits & Wellness Unit, the insurance carrier, or PSA Insurance & Financial Services. PSA is a consulting firm chosen by Loyola to assist with the administration and selection of your benefit plans. PSA can be reached Monday through Friday, 8:30 a.m. to 5 p.m. at 1-877-716-6618 or via email at loyola@psafinancial.com.

Loyola employees also have access to the PSA Benefits Hotline for any benefit questions or claims issues, as well as a Clinical Nurse Advocacy through Danielle Herndon, RN, CCM. Danielle can help answer questions about a diagnosis, locate the best provider, act as a liaison between you and your health plan, ensure you receive appropriate case and disease management, and assist you with appeals and grievances for denied care. Reach Danielle and the Benefits Hotline Monday through Friday between 8:30 a.m. and 5 p.m. at 1-877-716-6618 or loyola@psafinancial.com.

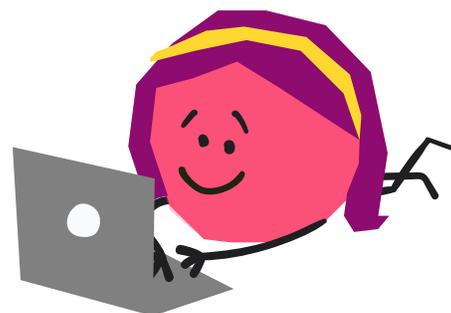

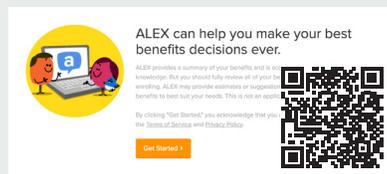

ALEX®, our virtual benefit counselor, is better than ever!

You may be tempted to default into your elections from last year, but sometimes plans, costs, and scenarios change. A quick chat with ALEX could help you choose the best plans for you and your family and save money all year long! www.myalex.com/loyolauniversitymaryland/2023

Find the great-fit benefit plans you and your family will love with ALEX®! ALEX is an easy-to-use online tool that will help you get the RIGHT amount of coverage for your needs. You can even talk to ALEX® about your plan for retirement and how much to contribute in order to meet your future goals.

ALEX will ask you a few questions about your health care needs (your answers remain anonymous, of course), crunch some numbers, and recommend a plan that's best for your personal needs. It's that easy!

Benefits at-a-Glance

University-Paid Benefits

The University provides these benefits at no cost to eligible employees.

| Benefit | Details/Options |
|---|--|
| Core Flex Credits | <p>The University provides flex credits to assist employees with the purchase of their benefits.</p> <ul style="list-style-type: none"> Regular full-time, core and four-fifths-time employees receive \$1,000 of base flex credits. Regular full-time or core employees who are members of the Order of the Society of Jesus or the Order of the Religious Sisters of Mercy receive \$850 base flex credits. Regular half-time staff and administrators receive \$500 base flex credits. <p>In addition to the base flex credits, the University provides eligible employees with additional credits after six years of service.</p> |
| Core Vision Benefit VSP | <ul style="list-style-type: none"> Annual eye exam—for employees only. \$10 copay if you use an in-network provider. If you visit an out-of-network provider, the plan reimburses you according to a specific schedule. Available through VSP (Vision Service Plan), which has a nationwide network of optometrists and ophthalmologists. |
| Basic Life and AD&D Insurance Symetra | <ul style="list-style-type: none"> Option 1: One times annual earnings (rounded to the next higher \$1,000) up to a maximum benefit of \$50,000. Option 2: One times annual earnings (rounded to the next higher \$1,000) up to a maximum benefit of \$250,000. (Please note that coverage over \$50,000 is considered taxable imputed income.) |
| Long-Term Disability Symetra | <ul style="list-style-type: none"> 66.67% of the first \$12,749 of your pre-disability monthly earnings up to \$8,500 per month 180 day waiting period If you have received medical treatment, consultation, or were prescribed medications for a sickness or accidental injury in the 3 months prior to the date your insurance took effect, you will not receive benefits for that sickness or accidental injury until 12 months after the insurance has taken effect. |
| Employee Assistance Program KEPRO | <ul style="list-style-type: none"> Professional and confidential assessment, referrals, or short-term problem solving to eligible participants and their family members. Get assistance with: marital or family problems, job problems, emotional distress, and more. The plan also provides financial and legal services as well as child care and elder care referrals and counseling for related issues. |
| Tuition Remission | <ul style="list-style-type: none"> Available to full-time faculty, staff, administrators, and their spouses and eligible dependent children. Also available to part-time employees on a prorated basis. Please see the staff and administrator policy manual or the faculty handbook for more information. |
| Live Near Your Work (LNYW) | <ul style="list-style-type: none"> Loyola partners with the City to contribute \$1,000 toward the closing costs associated with the purchase of a house near Loyola (Grant application must be completed and approved.) Available to full-time or core employees who have worked for at least 6 months, plan to purchase a home in the targeted area, receive mortgage approval, contribute a minimum of \$1,000 toward the purchase, and agree to live in the home as a primary residence for 3 years. For additional information, please contact the Benefits & Wellness Unit at x1365. |

Additional Benefits

| 403(b) Retirement Plan | <ul style="list-style-type: none"> • The University will contribute to your account if all the following apply: <ul style="list-style-type: none"> – You are an eligible faculty, administrator or staff member. – You are age 21 or older. – You have completed one year of service at Loyola University (waived if you have worked at least 1,000 hours in an accredited four year higher education institution in the immediate past 12 months). – You contribute 2% of base pay. • Full-time and part-time faculty, administrator, or staff members are eligible to participate on a voluntary basis with no age or service requirement. |
| Group Savings Plan Liberty Mutual | <ul style="list-style-type: none"> • Group discount on home, auto, and renter's insurance through Liberty Mutual. • Please contact Liberty Mutual at 443-574-5065. |
| Child Care Voucher Program | <ul style="list-style-type: none"> • Program to help benefits eligible employees pay for qualifying, work-related child care. • Child care must be through licensed day care and/or before and after school programs; Child Care Voucher Program application and Child Care Voucher Monthly Cost Verification Form must be submitted to the Benefits & Wellness Unit. |

- The University will contribute to your account if all the following apply:
 - You are an eligible faculty, administrator or staff member.
 - You are age 21 or older.
 - You have completed one year of service at Loyola University (waived if you have worked at least 1,000 hours in an accredited higher education institution in the immediate past 12 months).
 - You contribute 2% of base pay.
- Full-time and part-time faculty, administrator, or staff members are eligible to participate on a voluntary basis with no age or service requirement.

403(b) Retirement Plan

You can take steps toward planning for a secure retirement. Consider enrolling today.

It's easier than ever to plan and save for retirement. Whether it's years down the road or just around the corner, you can get started right now.

Enroll online in just a few minutes

- Go to TIAA.org/loyolamd.
- Select Ready to Enroll.
- Select the plan(s) in which you wish to enroll.
- Follow the instructions provided and Select Begin Enrollment.
- Register for online access or log in if you have an existing web ID with TIAA.
- Follow the prompts and print out the confirmation page. You are now enrolled.

Do nothing and wait to be automatically enrolled

Eligible employees who are not currently contributing will be automatically enrolled in the Retirement Plan once eligibility requirements are met. Contributions will be set at 2% and the University will contribute a percentage of base pay. TIAA will send you an email notification of your automatic enrollment as you near your eligibility date.

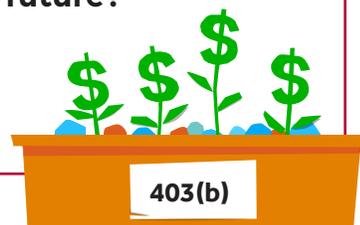

Keep your retirement money working as hard as you do

The earlier your contributions start, the longer your money can work through the power of compounding. Compounding happens when earnings on your savings get reinvested to generate additional earnings. Over time, compounding can fuel the growth of your savings.

For questions regarding your eligibility to contribute to the plan visit tiaa.org/loyolamd.

Not sure how much to save for the future?

Visit www.myalex.com/loyolauniversitymaryland/2023 where ALEX will walk you through your options and help you decide how to reach your retirement savings goals.

Medical Overview

Keeping you and your family in good health

The health benefits available to you represent a significant component of your compensation package, and they provide important protection to keep you and your family in good health. The University is pleased to offer a choice of three medical plans that are administered by **Cigna**.

If you enroll in the OAP-IN (HMO) plan, you must receive services from a participating, in-network provider. The OAP (PPO) and OAP HSA (HDHP) plans offer the flexibility to choose from both in and out-of-network providers, but keep in mind that if you receive care from an out-of-network provider you will be subject to higher out-of-pocket costs and balance billing by the provider.

Need more information about your medical plans or other benefits?

There are a number of resources on the University's HR/Benefits website at www.loyola.edu/department/hr/benefits.

Cigna Programs

Cigna's Diabetes Prevention Program in collaboration with Omada is a program to help you avoid the onset of diabetes, as well as health risks that might lead to heart disease or a stroke. Program participants have access to a professional virtual health coach, an online support group, interactive lessons, and a smart-technology scale. The program will help you make small changes in your eating, activity, sleep, and stress to achieve healthy weight loss through a series of 16 weekly lessons and tools to help you maintain weight loss over time. You will also be offered the opportunity to join a gym for a low monthly fee and no enrollment fee.

Omada for Diabetes has a program goal of improving blood glucose levels, reducing the risk of diabetes distress and self-manage diabetes medication. In this program, members will have a Health Coach and Certified Diabetes Educator Specialist. They will receive a continuous glucose monitor, blood glucose meter w/ automatic refilled test strips & lancets, and additional devices as needed (scale & blood pressure cuff). They will be put in T1 & T2 diabetes specific peer groups and have a lesson library tailored to diabetes self-management education and support.

Omada for Hypertension has a program goal of improving blood pressure levels, and reducing cardiovascular risks. In this program, members will have a care team of a Health Coach and Hypertension Specialist. They will receive the Omada scale and blood pressure cuff. Their lesson library and peer groups will be tailored with a hypertension curriculum.

All three Omada programs are covered by each of Loyola's Cigna medical plans at the preventive level, just like for your wellness visit. Visit omadahealth.com/omadacomplete and complete the survey to learn if you meet the necessary risk factors to qualify for the programs.

Save money on your medical plan premiums by completing the wellness steps

Employees and their spouses/LDAs insured under the medical plan can qualify for reduced medical plan premiums. You and your covered spouse/LDA must complete a Health Assessment on the MyCigna website and an Annual Physical exam. Instructions on how to access the MyCigna website can be found online at www.loyola.edu/department/hr/benefits.

Deadlines to qualify for premium reduction

- **Current employees enrolling during Open Enrollment:** Your annual physical must have been completed within the last 12 months or by October 31, 2023. The Health Assessment must be completed between July 1, 2023 and October 31, 2023. If you do not complete the requirements by October 31, 2023, the "non-wellness" rates will go into effect with your first paycheck in December 2023.
- **New hires:** Your annual physical must have been completed within the last eight months or within 120 days of eligibility. The Health Assessment must be completed within 120 days of eligibility. If you do not complete the requirements by the deadline, the "non-wellness" rates will go into effect on the first of the fifth month following date of hire.

Please see page 20 for medical plan premiums.

Summary of Benefits and Coverage (SBC)

Choosing a health coverage option is an important decision. To help you make an informed choice, a Summary of Benefits and Coverage (SBC), which summarizes important benefit information in a standard format, is available for each medical plan option. The SBCs are located on the Benelogic website, under the Resources tab, and at www.loyola.edu/department/hr/benefits. A paper copy is also available, free of charge, by contacting the Benefits & Wellness Unit.

Need to locate a provider?

Go to www.mycigna.com and select “Find a Doctor, Dentist, or Facility.” Choose “Employer or school” and enter your search location to search by doctor type, name, or location. Log in or search as a guest and select the Open Access Plus plan (you will use the Open Access Plus network for all three plan options).

Preventive Care

Preventive Care is covered in full when received in-network. Preventive care services include adult routine physical, well-child care visits, immunizations, routine GYN visits, age and gender appropriate cancer screenings, and other preventive services as required by the Affordable Care Act. These preventive services are covered in full when seeing a participating, in-network Cigna provider.

Evernorth Behavioral Health

Challenges to mental well-being come in many forms, and so do the ways we can work through them. Whether you need help reducing stress, are feeling motivated to make a change in your life, or need to talk to someone, Cigna offers a variety of behavioral support tools and services to help ensure you get support, including the below:

- Virtual counseling
- Emotional health and well-being
- Mental health
- Substance use
- Coaching and support
- Lifestyle management programs

For more information, visit www.mycigna.com or call the phone number on the back of your ID card.

Cigna Member Resources

Getting the most from your plan

When you're better informed, it can help you make better choices. Cigna's personalized website, www.mycigna.com, provides access to your plan information, as well as many online tools with information to help you make more informed health decisions. Want to find out how to improve your fitness or eat better? Cigna's online tools can help you stay active and take care of your health.

Cigna Mobile app

The myCigna mobile app gives you an easy way to organize and access your important health information—anytime, anywhere. Download the free app and gain instant access to multiple services.

Nurse Line

The 24-Hour Health Information Line (HIL) assists individuals in understanding the right level of treatment at the right time at no cost to you. Trained nurses are available 24 hours a day, seven days a week, 365 days a year to provide health and medical information and direction to the most appropriate resource. To speak with a nurse, call 1-866-494-2111.

Know Before You Go—When You Need Care

Your Doctor Knows Best

- Your primary care physician (PCP) knows your health history.
- Having a personal physician can result in overall better care.

But what if you get sick or injured when your doctor's office is closed?

Cigna Members: 24/7 Medical Advice

- Health Information Line: get advice on a diagnosis or where to receive care.
- Cigna Virtual Care: access virtual doctor visits for common, uncomplicated, non-emergency health issues.

Urgent Care Centers (e.g. Patient First or ExpressCare)

- Urgent care centers are usually open after normal business hours, including evenings and weekends.
- Many urgent care centers offer on-site diagnostic tests.
- Save time and money by going to urgent care instead of the ER.

Emergency Room (ER)

- This is the best place for treating severe and life-threatening conditions; ERs are not staffed to focus on minor injuries.
- ERs provide the most expensive type of care.

These are general guidelines. Call 911 or go straight to the ER if you have a life-threatening injury, illness, or emergency.

Cigna Virtual Care

Care when you need it

Life is demanding. It's hard to find time to take care of yourself and your family members as it is, never mind when one of you isn't feeling well. That's why your health plan through Cigna includes access to medical and behavioral/mental health virtual care. With Cigna Virtual Care, you can get the care you need—including most prescriptions—for a wide range of minor conditions. Visit www.mycigna.com and log in to get started.

You can connect with a board-certified doctor when, where, and how it works best for you—via video or phone—without having to leave home or work. MDLIVE televisits can be a cost-effective alternative to a convenience care clinic or urgent care center, and cost less than going to the emergency room. Costs are the same or less than a visit with a primary care provider. HSA plan participants will pay a \$55 copay for a virtual visit prior to meeting their deductible.

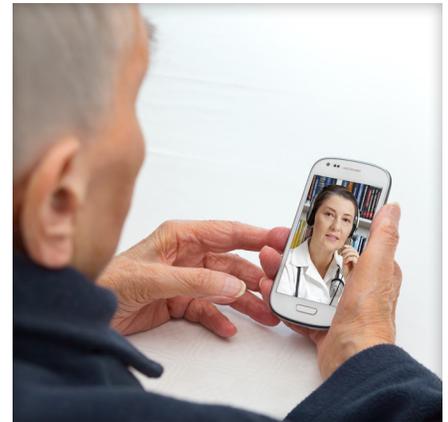

Whether it's late at night and your doctor or therapist isn't available, or you just don't have the time or energy to leave the house, you can:

- Access care from anywhere via video or phone
- Get medical virtual care 24/7/365—even on weekends and holidays
- Schedule a behavioral/mental health virtual care appointment online in minutes
- Connect with quality board-certified doctors and pediatricians, as well as licensed counselors and psychiatrists
- Have a prescription sent directly to your local pharmacy, if appropriate

Now, you can even have virtual wellness/preventive screenings at no cost through MDLIVE. Simply make a virtual visit appointment online and then visit a lab for your blood work and biometrics. You will receive a notification when the results are available in the MDLIVE customer portal. Prior to your virtual appointment, your results must be shared with the MDLIVE provider so that your visit will be more focused and informative.

You have options

- MDLIVE: medical and behavioral/mental health virtual care: 1-888-726-3171
- Evernorth Behavioral Health also provides access to video-based counseling through Cigna's network of providers. To find a provider:
 - Visit mycigna.com, go to "Find Care & Costs" and enter "Virtual counselor" under "Doctor by Type"
 - Call the number on the back of your Cigna ID card 24/7

Get started!

Visit the website to register:

- www.MDLIVEforCigna.com

Or call the below number:

- MDLIVE: 1-888-726-3171

Signing up is easy!

- Set up and create an account with MDLIVE.
- Complete a medical history using their "virtual clipboard."
- Download the MDLIVE for Cigna mobile app from your favorite app store today!

Cost

- OAP HSA (HDHP)
 - Deductible, then PCP/Specialist copay*
- OAP-IN (HMO)
 - \$20 copay
- OAP (PPO)
 - \$25 copay

*Under the OAP HSA medical plan, telehealth services are subject to the deductible. When you are in the deductible phase, the cost per telehealth visit will be \$55—much less than the PCP/Specialist contracted rate!

Download the MDLIVE for Cigna mobile app from your favorite app store today!

Cigna Voluntary Benefits

Accident Insurance

With accident insurance, you will receive a cash benefit if you suffer certain injuries or undergo a broad range of medical treatments or care resulting from a covered accident. You can use the payment any way you choose: to help cover day-to-day living expenses or any other expenses not covered by your medical plan.

- Coverage is available for you, your spouse/LDA, and dependent children.
- If you experience one of the covered accidental injuries or related services, you will be paid a lump-sum benefit (varies based on service)—organized sports are included.

Plan Features

| Plan Benefit | Benefit Amount |
|---|--------------------------|
| Initial & Emergency Services | |
| Emergency care treatment | \$100 |
| Physician office visit (includes urgent care) | \$50 |
| Diagnostic exam (x-ray or lab) | \$10 |
| Ground or water ambulance/air ambulance | \$300 / \$1,200 |
| Hospitalization | |
| Hospital admission | \$500 |
| Intensive care unit admission | \$500 |
| Hospital stay | \$100 |
| Intensive care unit stay | \$200 |
| Fractures & Dislocations | |
| Per covered surgically-repaired fracture | \$100–\$4,000 |
| Per covered non-surgically-repaired fracture | \$50–\$2,000 |
| Chip fracture (percent of fracture benefit) | 25% |
| Per covered surgically-repaired dislocation | \$100–\$4,000 |
| Per covered non-surgically-repaired dislocation | \$50–\$2,000 |
| Follow-Up Care | |
| Follow-up physician (or medical professional) office visit | \$50 |
| Follow-up physical therapy visit | \$25 |
| Enhanced Accident Benefits | |
| Small lacerations | \$50 |
| Large lacerations | \$400 |
| Concussion | \$100 |
| Coma (lasting 7 days with no response) | \$5,000 |
| Sports Accident Benefit | |
| Organized and personal sports activity (limited to 10 per year) | 25% of qualified benefit |

Wellness Benefit

The voluntary Cigna Accident Insurance, Critical Illness and Hospital Indemnity insurance plans come with a Wellness Incentive benefit!

This benefit is paid for each covered person who completes at least one wellness treatment, health screening test or preventive care service. This benefit is limited to one per year per covered person.

 For more information, visit www.loyola.edu/departments/hr/benefits.

Critical Illness Coverage

While it is impossible to prepare for the physical and emotional consequences of being diagnosed with a critical illness, you can prepare for the consequences that an illness may have on your personal finances. Major medical insurance may pay for a good portion of the costs associated with the illness, but there are a lot of expenses that are just not covered, from deductibles and copays, to living expenses.

With the critical illness plan, you receive cash benefits directly (unless otherwise assigned), giving you the flexibility to help pay bills related to treatment or to help with everyday living expenses.

Plan Features

- Coverage is available for you, your spouse/LDA, and dependent children.
 - Employee: choose coverage in the amount of \$10,000, \$20,000, or \$30,000.
 - Spouse: coverage is 50% of employee amount.
 - Children: coverage is 25% of employee amount.
- Benefits are paid directly to you, unless you choose otherwise, upon the diagnosis of a critical health condition.

Hospital Indemnity Insurance

Hospital care coverage helps protect you from the financial costs of unexpected health events that result in hospitalization or other treatment. In the event of a major illness or injury that results in hospitalization, the plan pays out a lump sum regardless of the cost of care, which can be used for any purpose, including to help pay the out-of-pocket expenses your medical plan may not cover such as deductibles, coinsurance, and copays.

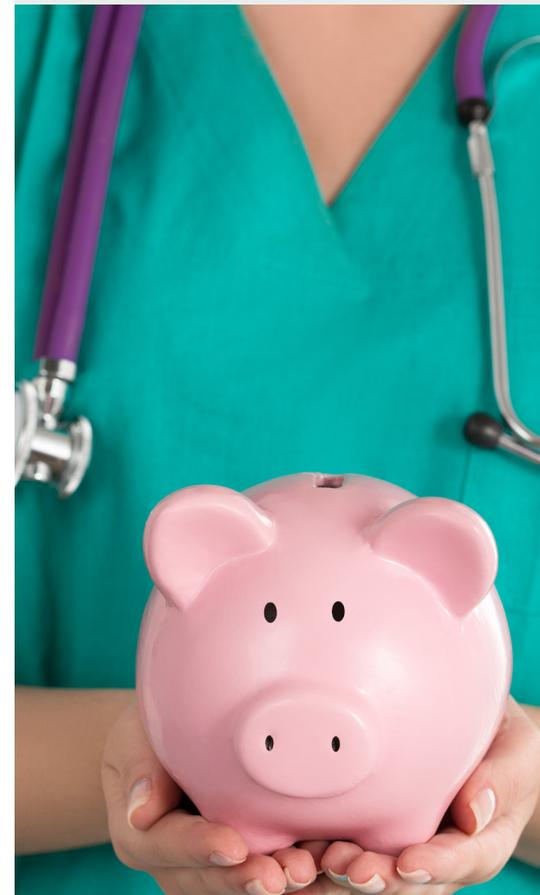

Plan Features

- Coverage is available for you, your spouse/LDA, and dependent children.

| Plan Benefit | Benefit Amount |
|---|---|
| Hospitalization Benefits | |
| Hospital admission (Non-ICU and ICU) | \$1,000 once per 90 days |
| Hospital chronic condition admission | \$100 once per 90 days |
| Hospital stay | \$200 once per 90 days |
| Hospital intensive care unit (ICU) stay | \$1,400 per one stay / \$400 per day |
| Hospital observaton stay | \$200 once per 24 hour period, limit 72 hours |
| Additional Care Benefits | |
| Skilled nursing facility | \$100 per day |
| Substance abuse facility | \$100 per day |
| Mental illness and nervous disorder facility care | \$100 per day |

Examples of covered critical illnesses

- Cancer
- Heart attack
- Stroke
- Kidney failure (end-stage renal failure)
- Heart failure
- Alzheimer’s Disease
- Parkinson’s Disease
- Coma
- Major organ failure
- Paralysis
- And others

 For more information, visit www.loyola.edu/departments/hr/benefits.

Medical and Prescription Plan Highlights

The features of your medical plan options through **Cigna** are highlighted in the chart below. Please refer to your plan description for full details. This chart is intended for comparison purposes only. If there are any discrepancies, the plan document will govern. **You are responsible for copayments, coinsurance, and all charges that exceed the allowed amount for services received out-of-network.**

How the Annual Out-of-Pocket Maximum Works

Under the OAP-IN (HMO) and OAP (PPO) plans, when one family member meets the individual out-of-pocket maximum, their services will be covered at 100% up to the allowed amount. Each family member cannot contribute more than the individual out-of-pocket maximum amount. The family out-of-pocket maximum must be met before the services for all remaining family members will be covered at 100% up to the allowed amount. Under the OAP HSA (HDHP), all eligible family members contribute towards the family out-of-pocket maximum. Once the family out-of-pocket maximum has been met, the plan will pay each eligible family member's covered expenses at 100%.

Need help choosing the best plan for you and your family? Meet ALEX!

Visit www.myalex.com/loyolauniversitymaryland/2023 where ALEX will ask you a few questions about your health care needs (your answers remain anonymous, of course), crunch some numbers, and recommend a plan that's best for your personal needs.

| Non-Preferred Brand | \$90 copay | Not covered | \$90 copay | \$90 copay | Not covered |

This chart is intended for comparison purposes only. If there are any discrepancies, the plan document will govern. Out-of-network providers and facilities may balance bill you for any charges in excess of the amount paid by the plan.

**\$750 penalty for no recertification.*

SaveOnSP from Cigna

Specialty medications can cost a lot of money. That's why if you are enrolled in either the OAP (PPO) or the OAP-IN (HMO) plan*, you are eligible to utilize a program called SaveOnSP, which can help lower your out-of-pocket costs to \$0. **If you are taking a specialty prescription through Cigna's Home Delivery program through Accredo you may be eligible to participate in this program. Please keep an eye out for letters mailed to your home, or calls made to you from SaveOnSP, as this means that you are taking a prescription that is part of this program.**

A typical SaveOnSP enrollment call lasts 5–15 minutes. SaveOnSP maximizes copay assistance from drug manufacturers for certain specialty medications by reducing your out-of-pocket cost share to \$0. If you receive a letter and/or call from SaveOnSP and don't enroll in the program you will pay a much higher copay for your medication. The average cost of specialty medications is \$2,750, though the amount varies based on the type of medication you are prescribed.

Conditions supported by SaveOnSP include, but are not limited to:

- Hepatitis C
- Multiple Sclerosis
- Psoriasis
- Inflammatory Bowel Disease
- Rheumatoid Arthritis
- Oncology
- Cystic Fibrosis

*Please note that members enrolled in the QHDHP are not eligible for SaveOnSP due to regulatory requirements.

Restricted Generics

- Your prescription benefits are structured to take advantage of the savings associated with generic drugs.
- With Restricted Generics, you will save the most by choosing generic drugs (when available) versus brand-name drugs.
- Unless your doctor writes "Dispense as Written" or DAW on your brand-name drug prescription, you will pay both the non-preferred brand copay plus the cost difference between the generic and brand-name drug.

Contraceptives and sterilization procedures and services are not covered under any of the Loyola sponsored medical plans. These services are available directly from Cigna. Contact Cigna member services at 1-800-244-6224 for additional information.

Health Savings Account

Is an HSA right for you?

Visit www.myalex.com/loyolauniversitymaryland/2023 where ALEX will walk you through your options and help you decide if the HSA-qualified plan is right for you.

Available to employees who enroll in the OAP HSA (HDHP) plan

When you enroll in the OAP HSA (HDHP) medical plan, you are eligible to open a Health Savings Account (HSA). An HSA can help you save money by allowing you to pay for health care expenses with tax-free dollars. You can use the funds to pay for qualified health care expenses, such as medical and prescription drug expenses until you meet your deductible, coinsurance, copays, and other out-of-pocket expenses including dental and vision expenses, for you, your spouse, and all dependents you claim on your tax return or could have claimed except that the individual had gross income in excess of the exemption amount—even if they are not covered under your medical plan!

To contribute to an HSA, you must meet the HSA eligibility criteria below:

- You must be covered by an HSA-compatible health plan, and you cannot be covered by any other medical plan or coverage that is not an HSA-compatible health plan. This would include being enrolled in your spouse's non-HDHP plan as secondary coverage, Medicare coverage, an executive medical plan, or your or your spouse's Health Care FSA offered through another employer. This would also include being covered by a Health Care FSA (except for a limited purpose Health Care FSA) solely as a result of a carryover of unused amounts, until the end of the plan year when the Health Care FSA carryover balance is exhausted.
- You must not be eligible to be claimed as a dependent on another individual's tax return.
- You must be enrolled in the plan on the first day of the month (otherwise, your eligibility to make contributions to your HSA begins the first day of the following month). If you are eligible as of December 1, under the last month rule you may make the maximum annual HSA contribution for the year regardless of the month you became eligible. Any contributions made under the last month rule will be subject to a testing period during which you must maintain HSA eligibility in the following year in order for the contribution to remain tax favored.

You can set up an automatic per pay deposit to fund your HSA on a regular basis without any hassle. Your contributions will be deducted pre-tax from your pay and deposited into your Bank of America HSA.

The contribution limits set forth by the IRS for 2023 for a full year of coverage or if the last month rule applies (including Loyola's contribution) are below:

- Individual—\$3,850
- Family—\$7,750

Individual account holders age 55 or older may contribute an additional \$1,000 per year.

Loyola contributes to your HSA—\$500* if you are enrolled as an individual or \$1,000* if you are enrolled with dependents.

The annual contribution amount is deposited as a **lump sum** at the beginning of the plan year into your Bank of America HSA.

**Amount prorated for new hires.*

HSA Highlights

Loyola has partnered with **Bank of America** to offer the HSA to employees. Each account is employee-owned and funded. There is a monthly maintenance fee of \$2.50, which will be deducted directly from your account. Below are some Bank of America HSA features:

- Easy access to your funds. Use your Bank of America Visa debit card to pay eligible costs at the doctor's office, pharmacy, or wherever else Visa debit cards are accepted. Keep your receipts in case they're needed by the IRS to verify eligible expenses.
- Easy tracking of health care costs. You can view balances and recent activity online at any time. All your expenditures will be reported in a single monthly statement.
- Investment options available after you have \$1,000 in your account.
- Rollover funds from another HSA if you currently have an HSA.
- One-time trustee-to-trustee transfer from your Individual Retirement Account (IRA).
- Visit healthaccounts.bankofamerica.com/learn-individuals.shtml#WOvJMXfmzUI to access resources and additional HSA education.

How the OAP HSA (HDHP) Medical Plan and HSA work together

Get preventive care at no cost to you

In-network preventive care is covered at 100% with no deductible. You pay \$0 out-of-pocket for your annual physical, well woman visit, mammogram, colonoscopy, routine immunizations, preferred preventive drugs, and other eligible services.

Pay for other medical expenses

You pay for additional medical and prescription drug expenses as you incur them until your annual deductible is met.

Use your HSA

You can use the funds in your HSA to pay for qualified health care expenses, such as medical and prescription drug expenses, coinsurance, copays, and other out-of-pocket expenses including dental and vision expenses. Remember to save your receipts in case they are needed to verify eligible expenses!

Reminders:

- Be sure the bill from the provider matches the amount that Cigna says you owe.
- Keep your EOBs, invoices and receipts! It is your responsibility to provide this documentation if you get audited by the IRS.
- The HSA debit card will only work if there is money in the account.

What to do when you go to the doctor's office

When you go to the doctor's office, present your Cigna ID card and let them know that you have a high deductible health plan. The doctor's office will bill Cigna. Cigna will review the claim and apply discounted rates. The amount you owe will either be credited toward your deductible or paid to the provider per your benefit plan if you have already met your deductible.

You will receive an Explanation of Benefits (EOB) from Cigna. Check to make sure that the amount Cigna says you owe matches the bill you receive from the provider.

Once you receive a bill from the provider, pay it using your Bank of America HSA debit card. If the doctor's office doesn't accept credit cards you can pay out-of-pocket and reimburse yourself from your HSA.

What to do when you need a prescription

Present your Cigna ID card at the pharmacy. The pharmacy system processes in real-time so the pharmacy will be able to tell you exactly what you owe when you pick up your prescription. Pay your bill at the register using your Bank of America HSA debit card.

Reasons to Love a Health Savings Account (HSA)

- Triple tax savings
 - You can contribute to your HSA using tax-free dollars.
 - You can use the money in your HSA to pay for health care expenses with tax-free money.
 - Whatever you don't use in a year rolls over to the next year, and earns interest that is tax-free!
- You decide how and when to use the funds in your account—you can use the funds to pay for your health care expenses or save them for future health care costs.
- The account may be used to build funds for retirement. Once you reach age 65, you can withdraw the money for non-medical reasons without a penalty (but will be taxed as ordinary income if funds are not used for qualified medical expenses).

Need more information on HSAs?

Visit www.brainshark.com/hilbgroup/Loyola-HSA101 to view the "HSA 101" presentation. Have a smartphone or tablet? Scan the QR code to view the presentation.

A list of eligible expenses is available on the IRS website, www.irs.gov. Please consult your tax advisor should you require specific tax advice.

Dental Plan Highlights

Loyola offers dental coverage for you and your family through **MetLife**. You have the freedom to select the dentist of your choice; however, when you visit a participating in-network dentist, you will have lower out-of-pocket costs, no balance billing, and claims will be submitted by your dentist on your behalf.

| | PPO Plan | | Copay Plan | |
|---|------------------------------------|------------------------------------|---------------------------------|------------------------------------|
| | In-Network | Out-of-Network | In-Network | Out-of-Network |
| Plan Year Deductible <i>applies to Type B and C services only</i> <i>Amount you must pay before the plan begins to pay benefits unless otherwise noted</i> | \$50 Individual \$150 Family | \$75 Individual \$225 Family | None | \$75 Individual \$225 Family |
| Plan Year Benefit Maximum <i>Maximum amount the plan will pay in a year for covered services</i> | Plan pays \$1,250 per person | Plan pays \$750 per person | Plan pays \$1,250 per person | Plan pays \$750 per person |
| Preventive Services (Type A) Oral exams, cleanings, x-rays, topical fluoride applications | Plan pays 100%* no deductible | Plan pays 85%* no deductible | Based on Fee Schedule | Plan pays 80%* no deductible |
| Basic Services (Type B) Fillings | Plan pays 80%* after deductible | Plan pays 60%* after deductible | Based on Fee Schedule | Plan pays 50%* after deductible |
| Major Services (Type C) Crowns, inlays, onlays, implants, bridges, dentures | Plan pays 50%* after deductible | Plan pays 40%* after deductible | Based on Fee Schedule | Plan pays 30%* after deductible |
| Orthodontia Services Dependent children up age 26 | 50% | 40% | 40% of maximum allowable charge | 40% |
| Orthodontia Lifetime Maximum Per person | \$1,250 | \$750 | \$1,250 | \$750 |

This chart is intended for comparison purposes only. If there are any discrepancies, the plan document will govern.

**Based on negotiated fee. Negotiated fee refers to the fees that participating dentists have agreed to accept as payment in full, subject to any copays, deductibles, cost sharing and benefits maximums. Negotiated fees are subject to change.*

To locate a participating dentist, please visit www.metlife.com and select "Find a Dentist." Choose the PDP Plus network and enter your location or call 1-800-942-0854.

Not sure which plan to pick?

Visit ALEX at www.myalex.com/loyolauniversitymaryland/2023 for help making the best decision for you and your family.

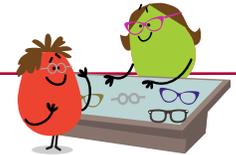

ID cards are not needed to seek care, however; they can be downloaded from the Metlife member portal as a helpful reference.

Vision Plan Highlights

Loyola provides employees with an annual wellness vision exam through VSP for a \$10 copay. You also have an option to purchase additional vision coverage for you and your family that offers a full range of vision care services provided through **VSP**. You may receive care from any provider you choose, but your benefits are greater when you see a participating, in-network provider. If you choose to receive services from an out-of-network provider, you will be required to pay that provider at the time of service and submit a claim form for reimbursement.

Not sure which plan to pick?

Visit ALEX at www.myalex.com/loyolauniversitymaryland/2023 for help making the best decision for you and your family.

To locate a participating provider, visit www.vsp.com, select "Find a Doctor" and enter your location.

| Benefit | Description | Copay | Frequency |

This chart is intended for comparison purposes only. If there are any discrepancies, the plan document will govern.

Extra Savings and Member Discounts

Scan for more information or go to www.vsp.com/specialoffers.

VSP puts members first by delivering the best value through Exclusive Member Extras, like an extra \$20 to spend on featured frame brands. Find a doctor who carries these brands at www.vsp.com.

Glasses and Sunglasses

- 30% off additional glasses and sunglasses, including lens options, from the same VSP doctor on the same day as your WellVision Exam. Or get 20% off from any VSP doctor within 12 months of your last WellVision Exam.

Laser Vision Correction

- Average 15% off regular price or 5% off the promotional price; discounts only available from contracted facilities.
- After surgery, use your frame allowance (if eligible) for sunglasses from any VSP doctor.

Flexible Spending Accounts

Use it or Lose it

Carefully estimate your expenses when you make your Health Care or Dependent Care FSA elections. These elections are subject to the “use it or lose it” rule.

Any funds remaining in your Health Care FSA or Dependent Care FSA as of June 30, 2024 will be forfeited. You will have 120 days after the end of the plan year to submit claims incurred during the previous plan year.

Note: if you participate in the Child Care Voucher Program, be sure to coordinate with your Dependent Care FSA.

Flexible Spending Accounts (FSAs) allow you to set aside pre-tax dollars to pay yourself back for eligible health care and dependent care expenses.

There are two types of FSAs: Health Care FSA and Dependent Care FSA. The plans for 2023–2024 are administered by **Optum Financial**.

In order to participate in the Health Care FSA or the Dependent Care FSA you must enroll each plan year.

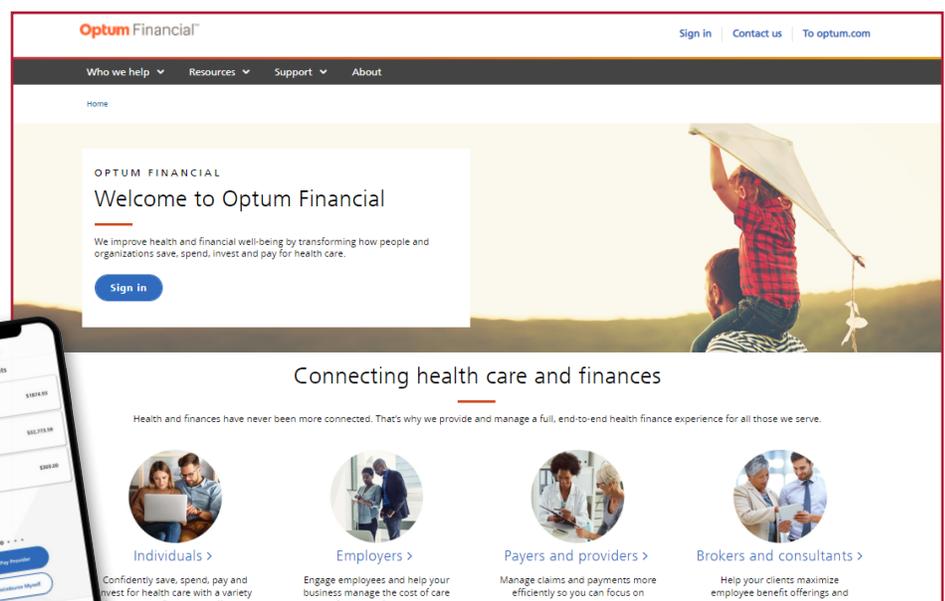

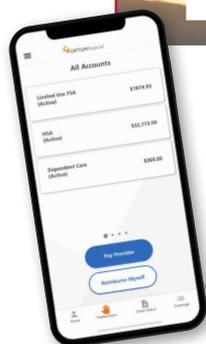

Health Care FSA

If you enroll in the OAP-IN (HMO), OAP (PPO), Medicare, or other coverage, you have the ability to contribute to a Health Care FSA (employees who contribute to the Health Savings Account (HSA) are **not** eligible.) Health Care FSAs help you stretch your budget for health care expenses for you and your dependents by allowing you to pay for these expenses using tax-free dollars. You may set aside up to **\$3,050** annually in pre-tax dollars to pay for qualified health expenses such as copays, dental expenses, glasses, and chiropractic treatments. Funds can be used for yourself, your spouse and your dependent children.

Your annual contribution amount is deposited into your account and is available to you at the beginning of the plan year. As you incur expenses, the simplest way to pay is to use your Payment Card. You can also pay with personal funds and submit a claim for reimbursement. **Don't forget to keep your receipts!**

24/7 real-time access to account information and health education tools online or via the mobile app!

- View account balance and transactions
- Submit and view claims and reimbursement requests
- Manage personal and direct deposit bank information
- Access a variety of health education tools

Dependent Care FSA

The Dependent Care FSA allows you to pay for eligible dependent care expenses with tax-free dollars (employees who enroll in the Health Savings Account (HSA) are eligible). You may set aside **up to \$5,000 annually in pre-tax dollars, or \$2,500 if you are married and file taxes separately from your spouse.** Contributing to a Dependent Care FSA allows you to pay dependent care expenses so that you and your spouse can work, look for work, or attend school full-time.

Eligible expenses include those listed below:

- Care for your dependent child who is under the age of 13 whom you can claim as a dependent for tax purposes
- Care for your dependent child who resides with you and who is physically or mentally incapable of caring for him/herself
- Care for your spouse who is physically or mentally incapable of caring for him/herself

Includes programs such as:

- After school care
- Summer day camp
- Daycare center
- Individual daycare provided by a licensed caregiver
- Elder care expenses

When submitting a claim, you can only be reimbursed up to the amount you have contributed to date, less any previous reimbursements.

| Pre-tax Savings Example (With \$5,000 Dependent Care FSA) | | | |
|---|-------------|----|-----------|
| | Without FSA | vs | With FSA |
| Gross Pay | \$50,000 | | \$50,000 |
| Dependent Care FSA Contribution | \$0 | | -\$5,000 |
| Taxable Income | \$50,000 | | \$45,000 |
| Taxes* | -\$12,500 | | -\$11,250 |
| Take Home Pay after Taxes | \$37,500 | | \$33,750 |
| Reimbursable Expenses | -\$5,000 | | -\$5,000 |
| Available Income before reimbursement | \$32,500 | | \$28,750 |
| Tax-Free Reimbursement from FSA | \$0 | | \$5,000 |
| Net Income | \$32,500 | | \$33,750 |

That's a potential savings of \$1,250 for the year!

*Taxes are estimated based on participant having a combined federal, state, and social security tax rate of 25%. Example is for illustrative purposes only, actual dollar amounts and tax savings will vary.

A Dependent Care FSA is a great way to pay dependent care expenses and lower your taxable income.

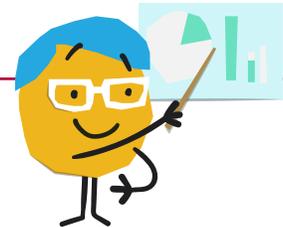

The Dependent Care FSA and Health Care FSA are separate accounts. You can enroll in the Dependent Care FSA even if you do not enroll in the Health Care FSA. HSA users can also take advantage of the Dependent Care FSA.

The amount of DCFSA contributions by highly compensated employees may need to be limited so that the Plan as a whole does not unfairly favor those who are highly paid. Plan experience determines whether contribution limitations on highly compensated employees will apply. You will be notified if you are affected.

Not sure if an FSA is right for you?

Visit ALEX at www.myalex.com/loyolauniversitymaryland/2023.

ALEX will walk you through your options and help you decide if enrolling in an FSA option is right for you.

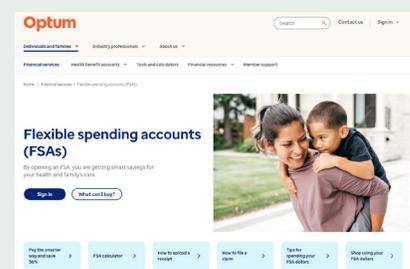

Learn more about FSAs!

There are a variety of resources on the Optum website www.optum.com!

- Learn how an FSA works
- Find a list of qualified medical expenses
- Check contribution and balance calculators

Scan QR code or visit www.optum.com/financial-services/flexible-spending-accounts.html to watch the FSA video.

Annual Payroll Deductions

Annual premiums are pre-taxed and pro-rated over the plan year (7/1/2023–6/30/2024). To calculate the pay period deduction, divide the annual premium by 24 (if you are an administrator or faculty member) or 26 (if you are a staff member). The University also provides to the employee Flex Credits to offset the cost of benefits (see page four for details). Flex Credits are considered taxable income to the employee if not used to purchase tax-favored benefits. Don't forget, you have until October 31, 2023 to complete the wellness steps or the "non-wellness" rates will go into effect with your first paycheck in December.

Save money on your medical plan premiums by completing the Wellness steps—see page 7 for details.

Please note: If you miss a paycheck or do not earn a full paycheck, you are still responsible for paying your benefits premiums. Loyola will begin to recoup the premiums due when you have your next paycheck. HR will work with you to establish a repayment plan on an individual basis, not to exceed four pay periods.

| Annual Medical, Dental, and Vision Cost (before Flex Credits) | | | | | | |
|---|----------------|--------------|--------------|--------------|-------------|--------------|
| Medical | OAP HSA (HDHP) | | OAP-IN (HMO) | | OAP (PPO) | |
| | Wellness | Non-Wellness | Wellness | Non-Wellness | Wellness | Non-Wellness |
| Employee Only | \$1,167.00 | \$2,153.28 | \$1,776.48 | \$2,762.76 | \$2,498.52 | \$3,484.80 |
| Employee + Spouse | \$4,622.28 | \$6,594.84 | \$6,844.44 | \$8,817.00 | \$8,737.80 | \$10,710.36 |
| Employee + 1 Child | \$2,999.64 | \$3,985.92 | \$4,161.96 | \$5,148.24 | \$5,298.48 | \$6,284.76 |
| Employee + Children | \$4,332.36 | \$5,318.64 | \$5,483.04 | \$6,469.32 | \$7,576.08 | \$8,562.36 |
| Family | \$6,955.32 | \$8,927.88 | \$9,157.20 | \$11,129.76 | \$12,887.04 | \$14,859.60 |

| Dental | MetLife PPO | MetLife Copay |
|---------------|-------------|---------------|
| Employee Only | \$385.20 | \$250.20 |
| Two Party | \$771.84 | \$525.12 |
| Family | \$1,341.96 | \$943.32 |

| Annual Cigna Voluntary Benefits Plan Costs | | |
|--|--------------------|------------------------------|
| | Accident Insurance | Hospital Indemnity Insurance |
| Employee Only | \$53.40 | \$229.68 |
| Employee + Spouse | \$94.68 | \$459.60 |
| Employee + Children | \$113.64 | \$387.96 |
| Family | \$154.92 | \$617.88 |

| Age | Critical Illness Insurance—Per \$10,000 of benefit | | | |
|-------|--|-------------------|---------------------|------------|
| | Employee Only | Employee + Spouse | Employee + Children | Family |
| 0–29 | \$32.16 | \$54.96 | \$50.16 | \$72.72 |
| 30–39 | \$48.96 | \$80.40 | \$66.96 | \$98.16 |
| 40–49 | \$84.36 | \$136.32 | \$102.96 | \$155.16 |
| 50–59 | \$160.80 | \$261.84 | \$179.52 | \$280.56 |
| 60–69 | \$251.04 | \$408.72 | \$269.76 | \$427.56 |
| 70–79 | \$459.00 | \$704.88 | \$477.72 | \$723.72 |
| 80+ | \$742.44 | \$1,224.12 | \$761.16 | \$1,242.84 |

To calculate \$20,000 benefit, multiply rates x 2. For \$30,000 benefit amounts, multiply rates x 3.

Statement of Health for Supplemental Life Insurance and Long-Term Disability Buy-Up

Current employees must provide medical approval when electing long-term disability buy-up, or any level of Supplemental Life insurance as a new benefit or when increasing coverage. Contact the Benefits & Wellness Unit to obtain a Statement of Health form.

| Vision | VSP Buy-Up |
|---------------|------------|
| Employee Only | \$135.48 |
| Two Party | \$200.64 |

Paid Time Off and Leave

Full-time Administrators

Vacation and sick leave hours are accrued each pay period. Your vacation and sick leave begins to accrue on your hire date; however, vacation leave may only be taken after the successful completion of your provisional period. Sick leave may be taken after 90 days of employment. Vacation and sick leave does not accrue or accumulate during periods of unpaid leave. Vacation and sick leave accruals will automatically stop accruing once leave balances have reached the maximum number of hours allowed. Please refer to the Staff and Administrators Policy Manual for the full Leave Policy.

| | Vacation | | Sick |

Note:
 Part-time administrators earn pro-rated vacation and sick leave benefits.
 Part-time staff employees earn pro-rated vacation and sick leave benefits, but no personal days.

Holidays

Loyola offers several paid holidays each year. Observed holidays include the below:

- New Year's Day Holiday (varies by calendar year)
- Martin Luther King Jr. Day
- Good Friday
- Easter Monday
- Memorial Day and the Friday before
- Juneteenth
- Independence Day and the day before or after
- Labor Day
- Thanksgiving Day and the Friday after
- Christmas Holiday(s) (number of days vary by year)

Employees are also given one floating holiday to be scheduled at a time between Memorial Day and Labor Day.

Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it.

This notice has information about your current prescription drug coverage with Loyola University and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are **two important things** you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Loyola University has determined that the prescription drug coverage offered by Loyola University, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15 through December 7.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current coverage with Loyola University will not be affected. You can keep this coverage if you join a Medicare drug plan and this plan will coordinate with your Medicare drug coverage. Your current coverage pays for other health expenses in addition to prescription drugs. If you enroll in a Medicare prescription drug plan, you and your eligible dependents will still be eligible to receive all of your current health and prescription drug benefits.

If you do decide to join a Medicare drug plan and drop your medical and prescription drug coverage through Loyola University, be aware that you and your dependents will not be able to get this coverage back until the next open enrollment period.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Loyola University and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you

have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the person listed on this notice for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Loyola University changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans. For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Required Notices

Health Insurance Marketplace Coverage Options and Your Health Coverage

General Information

When key parts of the health care law took effect in 2014, a new way to buy health insurance was introduced: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers “one-stop shopping” to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn’t meet certain standards. The savings on your premium that you’re eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer’s health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the “minimum value” standard set by the Affordable Care Act, you may be eligible for a tax credit. An employer-sponsored health plan meets the “minimum value standard” if the plan’s share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution—as well as your employee contribution to employer-offered coverage—is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact the Benefits & Wellness Unit at Loyola University.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit www.HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

Women's Health and Cancer Rights Act of 1998

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). WHCRA requires group health plans and their insurance companies and HMOs to provide certain benefits for mastectomy patients who elect breast reconstruction. For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

Breast reconstruction benefits are subject to deductibles and coinsurance limitations that are consistent with those established for medical and surgical benefits under the plan.

Health Insurance Portability and Accountability Act (HIPAA)

This group health plan complies with the privacy requirement for Protected Health Information (PHI) under HIPAA. A copy of the Privacy Practices for the medical plan and health care Flexible Spending Account is available from Human Resources. A copy of the Privacy Practices is available from the insurance carriers for dental and vision insurance.

Newborns' and Mothers' Health Protection Act

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a caesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours if applicable).

Special Enrollment Rights

If you are declining enrollment for yourself, or your dependents (including your spouse) because of other health insurance or other group health plan coverage, you may be able to enroll yourself and/or your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' coverage). However, you must request enrollment within 30 days after your previous coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your dependents in this plan, provided that you request enrollment within 30 days of the marriage, birth, adoption, or placement for adoption.

If you or your dependent lose eligibility for coverage under Medicaid or a State child health plan or if you or your dependent become eligible for State-sponsored premium assistance for the medical plan, you may be able to enroll yourself and/or your dependents in this plan if you request enrollment within 60 days of the date of termination of Medicaid or State child health plan coverage or your eligibility for premium assistance.

Wellness Program—Protections from Disclosure of Medical Information

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and your employer may use aggregate information it collects to design a program based on identified health risks in the workplace, your personal information will never be disclosed (either publicly or to the employer), except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, and no information you provide as part of the wellness program will be used in making any employment decision. You will not be discriminated against in employment because of medical information you provide as part of participating in the wellness program, nor will you be subject to retaliation if you choose not to participate.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2023. Contact your State for more information on eligibility.
