\*Please note if you have more than 4 residents, your landlord, and consequently you, are in violation of the Baltimore housing code allowing only 4 unrelated persons to live together at a particular address. If you draw attention to yourselves, more savvy neighbors may call the housing authority to report you and you could be evicted. If you need help talking to your landlord about this, please contact David Tiscione at 410-617-2918 or dmtiscione@loyola.edu
