TOP TEN THINGS TO KNOW ABOUT THE HOUSING CONTRACT

- 1** You are agreeing to live in housing for the full Academic Year (August- May). **7** By agreeing to the housing contract, students are also agreeing to the Loyola University Community Standards.
- 2** If your housing needs to change, you must request to cancel your housing before June 1 to avoid penalties. **8** The University reserves the right to select the specific bedroom and building to be assigned to a student, to assign other occupants to the unit, and to move a student to another bedroom or unit, at any time, in the University's sole and absolute discretion.
- 3** You must be registered for at least 12 credits by the start of the semester to move in and no later than the end of Add/Drop to remain in campus housing.
- 4** Students requesting accommodations for a disability, must do so by July 1. After the deadline accommodations will be provided based on space availability. **9** Students with a need to remain on campus during University break periods must agree to complete a housing break extension request. - 6** The housing contract goes into effect once it is signed.

TERMS AND CONDITIONS

The Terms and Conditions of the Housing Contract occur after students submit their signed contract. Once signed, students enter into a legally binding contract for the full academic year. We highly suggest that students and their families read the terms and conditions to fully understand our expectations. Copies of the contract are available for download in the housing application or on the Student Life website.
